Record of Town Meetings

SPECIAL TOWN MEETING, JANUARY 4, 1937

Meeting called to order at 7.45 o'clock P.M., by Moderator O'Connell, who read the call for the meeting.

On motion by Mr. Clemons.

Voted: That further reading of the warrant, with the exception of the Constable's Return, be omitted. Constable's Return read.

ARTICLE 1

To raise and appropriate sufficient money to pay ex-Officer Frank H. Robinson his pension, until further appropriation at the annual meeting.

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$164.25 for the purposes specified in Article 1.

ARTICLE 3

To see if the town will vote to transfer the control of the premises at the corner of Common and Lafayette Streets, the old high school property, from the School Committee to the Board of Selectmen; and authorize the Board of Selectmen to use the fund in the town treasury known as the Surplus War Bonus Fund, for remodeling, under their direction, the old high school building and grounds for municipal purposes. Action under this Article to be conditional upon a Federal WPA project being authorized for and in connection with such remodeling, and embracing one or more projects.

On motion by Mr. Edgett.

Voted: That Article 3 be taken up. "Yes" 73, "No" 1.

A motion by Finance Committee to indefinitely postpone was lost.

On motion by Mr. Clemons.

Voted: To transfer the control of the premises at the corner of Common and Lafayette Streets, the old high school property, from the School Committee to the Board of Selectmen; and authorize the Board of Selectmen to use the fund in the town treasury known as the Surplus War Bonus Fund for remodeling under their direction the old high school building and grounds for municipal purposes, provided that Federal WPA projects are authorized for and in connection with such remodeling.

ARTICLE 2

To raise and appropriate the sum of \$12,000.00 to be used for Federal WPA projects.

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$8,000.00 for the purposes specified in Article 2.

ARTICLE 4

To hear and act upon a report of the Board of Selectmen laying out a town way under the Betterment Act in substantially the location of the private way known as Bowdlear Road, running northerly from Greenwood Street, and determine whether the name thereof shall be Oak Ledge Road or otherwise, and raise and appropriate money for the construction thereof.

A motion by the Finance Committee to indefinitely postpone was lost.

On motion by Mr. Evans.

Voted: That the report of the Selectmen (Oak Ledge Road) be accepted and adopted.

On motion by Mr. Jordan.

Voted: That this meeting be now dissolved.

Adjourned at 8.35 o'clock. Attendance 140.

Result of Election Held March 1, 1937, as Canvassed by the Board of Registrars

Appointment of Assistant Town Clerk

March 9, 1937.

To Margaret V. Hurley:

Under and by the authority vested in me by Section 19 of Chapter 41 of the General Laws, you are hereby appointed Assistant Town Clerk of the Town of Wakefield for the current municipal year; having all the powers and being subject to all the requirements and penalties applicable to the Town Clerk as provided by the General Laws and amendments thereto.

FREDERIC S. HARTSHORNE,
Town Clerk.

Record of Town Meetings

ANNUAL TOWN MEETING, MARCH 8, 1937

In the absence of the Moderator, the meeting was called to order by Town Clerk Hartshorne, who read the call for the meeting.

On motion by Mr. Clemons.

Voted: That the reading of the remainder of the warrant be waived with the exception of the Constable's Return.

Constable's Return read.

The Clerk then called for nominations for Moderator Pro Tem.

Mr. Howard Jones placed the name of Theodore Eaton in nomination. No other nominations being made.

Voted: That Theodore Eaton be appointed Moderator. Unanimous vote.

Mr. Eaton was duly qualified by the Town Clerk.

ARTICLE 1

To act upon the reports of Town Officers as published.

On motion by Mr. Clemons.

Voted: That the reports of the Town Officers as published be laid upon the table.

ARTICLE 2

To choose all Town Officers not required to be chosen by ballot.

On motion by Mr. Marshall.

Voted: That a committee of five be appointed to bring in nominations for Town Officers not required to be chosen by ballot.

ARTICLE 3

To see if the town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1937, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

On motion by Mr. Clemons.

Voted: That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1937, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

ARTICLE 10

To see if the town will raise and appropriate money to be used in WPA projects for supervision, trucking, materials, office supplies, etc.

On motion by Mr. White.

Voted: That Article 10 be taken up. Unanimous vote.

A motion by Finance Committee, to indefinitely postpone was lost.

On motion by Mr. White.

Voted: That the town raise and appropriate the sum of \$10,000, to be used in WPA projects, for supervision, trucking, materials, office supplies, etc.

ARTICLE 11

To see what amount of money the town will vote to raise and appropriate for the remodeling of the old high school and grounds at the corner of Lafayette and Common Streets, and authorize the Selectmen to expend such amount under their direction therefor, provided a Federal Project is approved therefor.

On motion by Mr. Evans.

Voted: That Article 11 be taken up. Unanimous vote.

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$17,000.00 to carry out the purposes of Article 11, and authorize the Selectmen to expend such sum for such purposes, provided a Federal project is approved therefor.

ARTICLES 16, 17, 18, AND 26

Article 16. To hear and act upon a report of the Board of Selectmen laying out a town way under the Betterment Act in substantially the location of the private way known as Central Street running easterly from 190 Main Street approximately 350 feet, and raise and appropriate money for the construction thereof.

Article 17. To hear and act upon a report of the Board of Selectmen laying out as a town way under the Betterment Act in substantially the location of the private way known as Converse Street, from the westerly terminus of Converse Street, a Public Way, and being extension thereof, to the Stoneham line and raise and appropriate money for the construction thereof.

Article 18. To hear and act upon a report of the Board of Selectmen laying out a town way under the Betterment Act in substantially the location of the private way known as Gladstone Street running from Crystal Street to Myrtle Avenue and raise and appropriate money for the construction thereof.

Article 26. To see what sum or sums of money the town will raise, appropriate and borrow:

For the original construction of public ways or the extension or widening thereof, including land damages and the cost of pavement and sidewalks laid at the time of said construction or for the construction of stone, block, brick or other pavement of similar lasting character, under specifications approved by the Department of Public Works, and authorize the issue of notes or bonds therefor.

On motion by Mr. Evans as amended by Mr. Jordan.

Voted: That Articles 16, 17, 18 and 26, be taken up.

A motion by Finance Committee to indefinitely postpone the four articles was lost.

ARTICLE 26

On motion by Mr. Evans.

Voted: That the town raise and appropriate the sum of \$5,300.00 for the purposes set forth in this Article, namely: For the original construction of public ways or the extension or widening thereof, including land damages and the cost of pavement and sidewalks laid at the time of said construction, or for the construction of stone, block, brick or other pavement of similar lasting character, under specifications approved by the Department of Public Works, and authorize the issue of notes or bonds therefor to the amount of \$20,000.00 payable in or within ten years in equal annual payments; all in connection with WPA projects so far as possible.

FINANCE COMMITTEE

Appointments by Moderator

Orvil W. Smith, Arthur M. Moore, Orrin J. Hale, Edwin L. Nute, William R. Lindsay.

ARTICLE 16

On motion by Mr. Evans.

Voted: That the town accept and allow a report of the Board of Selectmen laying out a town way in substantially the location of the private way known as Central Street, all as shown on a plan filed with the Town Clerk with said report. The street to be laid out under the law authorizing Betterments.

The cost of construction of said street to be taken from the proceeds of the bond issue, voted under Article 26.

ARTICLE 17

On motion by Mr. Evans.

Voted: That the town accept and allow a report of the Board of Selectmen laying out a town way in substantially the location of the private way known as Converse Street, all as shown on a plan filed with the Town Clerk with said report. The street to be laid out under the law authorizing Betterments.

The cost of construction of said street to be taken from the proceeds of the bond issue, voted under Article 26.

ARTICLE 18

On motion by Mr. Evans.

Voted: That the town accept and allow a report of the Board of Selectmen laying out a town way in substantially the location of the private way known as Gladstone Street, all as shown on a plan filed with the Town Clerk with said report. The street to be laid out under the law authorizing Betterments.

The cost of construction of said street to be taken from the proceeds of the bond issue, voted under Article 26.

ARTICLE 4

To see if the town will vote to authorize various departments to purchase new equipment at net costs not exceeding amounts specified below, exchanging similar equipment therefor, where now owned, the net cost of such new equipment to be expended from the appropriations voted for such departments.

Legal Department

and that \$19,000.00 be transferred from the Overlay Surplus Account to the Reserve Fund.

Amendment by Mr. Sullivan.

That the amount of the Recreation Commission appropriation be increased in the sum of \$617.05, making that appropriation \$1,467.05.

Amendment by Mr. Evans.

That the amount of the Reserve Fund be increased in the sum of \$3,000.00, making a total for the Reserve Fund \$4,000.00.

Amendment of Mr. Evans was voted in the affirmative.

Amendment of Mr. Sullivan was voted in the affirmative. Original motion as amended was then voted.

On motion by Mr. Jordan.

Voted: That this meeting stand adjourned to Thursday evening, March 11, at 7.30 o'clock, P. M.

Adjourned at 10.20 o'clock. Attendance 500.

ADJOURNED TOWN MEETING, MARCH 11, 1937

Meeting called to order at 7.30 o'clock P. M., by Moderator Eaton, Article 5 being in order.

On motion by Mr. Young.

Voted: To amend the appropriation made for the Moth Department, by increasing that appropriation in the sum of \$1,000.00, making the total appropriation \$7,500.00 in place of \$6,500.00. "Yes" 103, "No" 90.

Public Service Enterprises**Water Department**

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$90,000.00 to be apportioned as follows:

Salaries of Board	\$ 270.00
Department Expenses	53,553.75
Water Bonds	31,000.00
Water Interest	5,176.25

Interest and Maturing Debt

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$92,496.99 to be apportioned as follows:

Interest	\$ 19,000.00
Maturing Debt	73,496.99

Light Department

On motion by Finance Committee.

Voted: That the town appropriate the sum of \$270.00 for salaries of the Light Commissioners, to be taken from the receipts of the Department, and the balance of the receipts of the Department be appropriated for the use of the Department, provided however, that if the income from said Department shall exceed the expenses of the Department for said fiscal year, the use of said excess in whole, or in part, be determined by the 1938 Annual Town Meeting.

ARTICLE 26

On motion by Mr. Clemons.

Voted: That Article 26 be taken up. Unanimous vote.

On motion by Mr. Clemons.

Voted: That all action taken under Article 26 at the town meeting of March 8, be reconsidered. Unanimous vote.

On motion by Mr. Clemons.

Voted: That the town raise and appropriate the sum of \$5,500.00 for the purposes set forth in this Article, namely: For the original construction of public ways or the extension or widening thereof, including land damages and the cost of pavement and sidewalks laid at the time of said construction, or for the construction of stone, block, brick, or other pavement of similar lasting character, under specifications approved by the Department of Public Works, and authorize the issue of notes or bonds therefor to the amount of \$20,000.00, payable in or within 10 years in equal annual payments; all in connection with WPA projects so far as possible. Unanimous vote.

ARTICLE 6

To see if the town will vote to raise and appropriate a sum of money for the improvement of Vernon Street; said money to be used in conjunction with any money which may be allotted by the state or county, or both, for this purpose; or take any other action in relation thereto.

On motion by Finance Committee.

Voted: That the town raise and appropriate \$7,500 to carry out the purposes of Article 6, only such portion thereof to be expended as may be equal to one-half the sum provided by the state and county together for the same purpose.

ARTICLE 7

To see if the town will vote to raise and appropriate a sum of money for the improvement of Salem Street; said money to be used in conjunction with any money which may be allotted by the state or county, or both, for this purpose; or take any other action in relation thereto.

On motion by Finance Committee.

Voted: That the town raise and appropriate \$1,150.00 to carry out the purposes of Article 7, only such portion thereof to be expended as may be equal to one-half the sum provided by the state and county together for the same purpose.

ARTICLE 8

To see if the town will vote to raise and appropriate a sum of money for the maintenance of various streets; built under Chapter 90, General Laws, Ter. Ed., said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose; or take any other action in relation thereto.

On motion by Finance Committee.

Voted: That the town raise and appropriate \$2,000.00 to carry out the purposes of Article 8, only such portion thereof to be expended as may be equal to one-half the sum provided by the state and county together for the same purpose.

ARTICLE 9

To see if the town will vote to purchase for Highway Department purposes a lot of land on North Avenue adjoining the land now used by said department, said lot being bounded and described as follows: Southwesterly by North Avenue, 130 feet; Southeasterly by land of the American Reed and Fibre Furniture Co., 257.52 feet; Northwesterly by land now or formerly of Alice Burditt, 120 feet and more; Westerly by land of the town, 180.59 feet, and raise and appropriate a sufficient sum therefor.

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$2,507.50 to carry out the purposes of Article 9.

ARTICLE 12

To see if the town will vote to appropriate the fund known as the Surplus War Bonus Fund now in the treasury, together with all interest remaining thereon from investment up to January 1, 1937, in payment of maturing town indebtedness in the year 1937.

On motion by Finance Committee.

Voted: That the town appropriate the fund known as the Surplus War Bonus Fund now in the treasury, together with all interest remaining thereon from investment up to January 1, 1937, for payment of Maturing Town Indebtedness for the year 1937.

ARTICLE 13

To see if the town will raise and appropriate a sufficient sum of money for the payment to Antonio Muccio on account of injuries sustained, as authorized by Chapter 313, of the Acts of 1936.

A motion by Finance Committee to indefinitely postpone was lost. "Yes" 65, "No" 185.

On motion by Mr. Frankel.

Voted: That the town raise and appropriate the sum of \$3,000.00 for the payment to Antonio Muccio on account of injuries sustained, as authorized by Chapter 313, of the Acts of 1936.

ARTICLE 14

To raise and appropriate sufficient money to pay pension for a period commencing March 1, 1937, and ending February 28, 1938, to ex-Officer Frank H. Robinson, under authority of Chapter 103, Acts of 1936, and provide for the payment thereof by any legal method.

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$985.50 to carry out the purposes of Article 14.

ARTICLE 15

To see if the town will appropriate a sum sufficient to pay the County of Middlesex as required by law on account of assessments levied on the town for its share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Act of 1932 bonds maturing in 1937, issued in compliance with Chapter 10, Acts of 1932, also for any other indebtedness incurred and outstanding under said Chapter 10, also for the town's share of the cost and interest on said bonds due in 1937, also for the care, maintenance, and repair of said hospital for 1936, and including interest on temporary notes issued therefor in accordance with sections of Chapter 111 of the General Laws applicable thereto, and for all other expenses in connection therewith, determine how the money shall be raised, or in any way act thereon.

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$9,120.16 to carry out the purposes of Article 15.

ARTICLE 19

To hear and act upon a report of the Board of Selectmen re-locating and altering a public way known as Spring Street, between Greenwood Street and Myrtle Avenue, and raise and appropriate money necessary to carry out the purposes of this article.

On motion by Finance Committee.

Voted: That the subject matter of this Article be indefinitely postponed.

ARTICLE 20

To see if the town will authorize the Water and Sewerage Board to construct a sewer in Western Avenue (a private way) from Elm Street westerly, approximately 300 feet; and raise and appropriate a sufficient sum of money therefor.

On motion by Finance Committee.

Voted: That the Water and Sewerage Board be authorized to construct a sewer in Western Avenue as proposed under Article 20 and that the town raise and appropriate the sum of \$969.20 therefor.

ARTICLE 21

To see if the town will authorize the Water and Sewerage Board to construct a sewer in Charles Street from Main Street to Birch Hill Avenue approximately 900 feet; and raise and appropriate a sufficient sum of money therefor, or authorize the Treasurer with the approval of the Selectmen to borrow and issue notes or bonds therefor.

On motion by Finance Committee.

Voted: That the Water and Sewerage Board be authorized to construct a sewer in Charles Street as proposed under Article 21 and that the town raise and appropriate the sum of \$5,873.50 therefor.

ARTICLE 22

To see if the town will vote to raise and appropriate the sum of \$22.00 to refund to Albert F. Simpson, 328 Salem Street, over assessment for sidewalk work.

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$22.00 to carry out the purposes of Article 22.

ARTICLE 23

To see if the town will raise and appropriate the sum of \$105.00 to be apportioned as follows:

To Herbert and Evelyn Murkland	\$20.00
To Margaret A. Tyler	10.00
To Eastern Massachusetts Electric Co.	50.00
To Albert Simpson	25.00

to cover damages awarded to the aforesaid and assessed upon the Town of

Wakefield by decree of the County Commissioners dated September 22, 1936.

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$105.00 to carry out the purposes of Article 23.

ARTICLE 24

To see if the town will accept a gift of a parcel of land, as shown on the Assessors' Plans, Plat 10, Lot 70, and containing 22,636 square feet, bounded on the northwest, west, and south by Crystal Lake and on the east by land of the Boston and Maine Railroad.

On motion by Finance Committee, it was unanimously **Voted:** That the town accept as a gift the parcel of land described in Article 24, and that the Town Clerk be directed to express the gratitude of the town to the donor, John J. Round, for this gift.

ARTICLE 25

To see if the town will authorize the Board of Selectmen to take by eminent domain for park purposes under Chapter 79 of the General Laws, Ter. Ed., lots 64 to 67 inclusive, 69 to 85 inclusive, 88 to 132 inclusive, as shown on Plat 35 of the Assessors' plans together with the land included in the private ways shown on said Plat 35, and all shown enclosed by a heavy dark line shown on plan filed with the Town Clerk. Said lots and land being bounded by a line shown as aforesaid, and commencing at about the northeast corner of the playground at Greenwood, thence by said line by many courses, northeasterly to a point about 128 feet from Oak Street nearly opposite a private way known as Holland Road; thence southerly by Lots 25 and 58 and across a paper private way to the north line thereof; thence easterly by said line to the easterly line of Melrose Avenue, to Lot 96; thence northerly by the easterly line of Melrose Avenue and Short Street to the northeasterly corner of Lot 89; thence southeasterly by said line and by Lot 89 to Lot 88; thence northwesterly by Lot 88 and said line to Oak Avenue; thence southeasterly by said line and the southwesterly line of Oak Avenue; thence northeasterly across the end of Oak Avenue to said line and Lot 22; thence more northeasterly by said line and the southeasterly line of Achorn Avenue, to the northeasterly corner of Lot 125; thence southeasterly by said line by Lots 125, 126, 127, 128, 129, 130, 131, 132 to an acute angle; thence westerly by said line and Lots 132, 121, 119, 118, 117, 116, 115, 85 and 84, to said playground; thence northwesterly by said line and playground about 10 feet by a part of Lot 81, to the point of beginning; and raise and appropriate a sufficient sum of money therefor. Said lots are all supposed to be held under tax titles owned by the town.

A motion by Finance Committee to indefinitely postpone was withdrawn.

Voted: That a committee of three be appointed to consider the subject matter of Article 25, and report at a future town meeting.

ARTICLE 27

To see if the town will vote to sell to Harris Chickles and George Scarononzos a triangular lot of land on Wakefield Avenue, bounded easterly by Wakefield Avenue 61.60 feet, southerly by land of Town of Wakefield 19.17 feet, and westerly by other land of said Chickles and Scarononzos 62.05 feet; total area 585 square feet, as shown on plan by Harry H. Denning, C. E., dated January 30, 1937, and fix the price therefor.

On motion by Finance Committee.

Voted: That the Board of Selectmen be authorized to sell to Harris Chickles and George Scarononzos for a nominal consideration, the land described in Article 27.

ARTICLE 28

To see if the town will raise and appropriate the sum of \$850 to be expended by:

Wakefield Post No. 2106, Veterans of Foreign Wars; Corp. Charles F. Parker Camp No. 39, United Spanish War Veterans; Corp. Harry E. Nelson Post No. 63, American Legion; H. M. Warren Post No. 12, G. A. R.; for the proper observance of Memorial Day, May 30, 1937.

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$650.00 to carry out the purposes of Article 28.

ARTICLE 29

To see if the town will raise and appropriate the sum of \$200.00 to cover part of the expense of rent of quarters for Corp. Charles F. Parker Camp No. 39, United Spanish War Veterans.

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$200.00 to carry out the purposes of Article 29.

ARTICLE 30

To see if the town will raise and appropriate the sum of \$500.00 for nursing, the same to be expended under the direction of the Selectmen, as salary to the nurse employed by the Wakefield Visiting Nurse Association, in aid of its nursing work among the people of Wakefield.

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$500.00 to carry out the purposes of Article 30.

ARTICLE 31

To see if the town will vote to return to the Town Treasury the sum of \$27,697.57 (which is the net profit of the department) this sum being part of the balance of the Operating Fund of the Municipal Light De-

partment as of December 31, 1936, and to authorize the Assessors to use the same in computing the tax rate for 1937; also, to see if the town will authorize the Municipal Light Department to transfer the sum of \$6,789.27 from its Operating Fund to its Construction Fund, this sum being the remainder of the balance of its Operating Fund as of December 31, 1936.

On motion by Finance Committee.

Voted: That \$27,697.57 of the cash balance in the Operating Account of the Municipal Light Department, December 31, 1936, be returned to the Town Treasury and the Assessors be hereby authorized to use the same in computing the Tax Rate for 1937, and authorize the Municipal Light Department to transfer from its Operating Account \$6,789.27 to its Construction Account, the same being the remainder of the balance in the Operating Account as of December 31, 1936.

ARTICLE 32

To see if the town will vote that the income from the sales of gas and electricity to private consumers, for gas and electricity supplied to municipal buildings and for municipal power and street lighting, and from sales of appliances and jobbing during the current fiscal year, be appropriated for the Municipal Lighting Plant, the whole to be expended by the manager of the Municipal Lighting Plant under the direction of the Municipal Light Board for the expense of the plant for said fiscal year, as defined in Section 57 of Chapter 164 of the General Laws, and that, if said income shall exceed said expenses for said fiscal year, that the use of such excess, in whole or in part, be determined by the 1938 Annual Town Meeting.

On motion by Finance Committee.

Voted: That the subject matter of Article 32 be indefinitely postponed.

ARTICLE 33

To see if the town will vote to place curb stones on Main Street at all places where there are now no curbs — the curbing to begin at a point opposite the southern boundary of the High School lot and extending to the Melrose line on both sides of the street and to raise and appropriate sufficient money to pay for them, and authorize the Board of Selectmen to take any action, which in their judgment may be advisable, to carry out the purpose of this Article either by the Highway Department or by co-operation with any department of the Federal Government.

On motion by Finance Committee.

Voted: That the subject matter of Article 33 be indefinitely postponed.

ARTICLE 2

Moderator appointed the following committee under Article 2: Harry Marshall, Eugene J. Sullivan, Patrick H. Tenney, Orrin J. Hale, Harry A. Simonds.

ARTICLE 25

Moderator appointed the following committee under Article 25: John J. Round, Dr. Charles E. Montague, William H. Allyn.

ARTICLE 34

To see if the town will authorize the Board of Public Welfare to appoint any member thereof as their Agent, and vote to fix the compensation of the same.

A motion by Finance Committee to indefinitely postpone was lost. "Yes" 87, "No" 109.

On motion by Mr. Frankel as amended by Mr. Hogan.

Voted: That the town authorize the Board of Public Welfare to appoint any member thereof as its agent and fix the compensation for such agent at \$1,500.00.

ARTICLE 35

To see if the town will authorize or ratify a contract for the employment by the Welfare Board and Bureau of Old Age Assistance to employ Frank B. Gladwin as supervisor and visitor of Old Age Assistance.

A motion by Finance Committee to indefinitely postpone was lost. "Yes" 83, "No" 119.

On motion by Mr. Hogan.

Voted: That the town ratify a contract for the employment by the Board of Public Welfare and Bureau of Old Age Assistance to employ Frank B. Gladwin as Supervisor and Visitor of Old Age Assistance.

ARTICLE 36

To see if the town will return the barn and outer buildings at the Infirmary to the jurisdiction of the Welfare Department.

On motion by Finance Committee.

Voted: That the subject matter of this Article be indefinitely postponed.

ARTICLES 37 AND 38

To see what action the town will take relative to exchanging land and releasing rights of way with Albert C. Murray and Sophie Murray, which land and ways are adjacent to other land of said Murrays, the Greenwood Playground and High Street.

To see if the town will take by right of eminent domain a piece of land fronting on High Street, approximately 42 feet long on said High Street, and about 24½ feet in width, said land being the property of Albert C. and Sophie Murray and bounded on the south by land taxed to Nina H. McGovern on the east by the Greenwood Playground, said land when taken to leave Mr. Murray's lot with its southern boundary straight and provide a clear entrance to the Greenwood Playground, and raise and appropriate money to pay for it.

On motion by Mr. Clemons.

Voted: That Articles 37 and 38 be acted upon jointly.

Motion by Finance Committee that both Articles be indefinitely postponed was lost.

Motion by Mr. Round.

That the town raise and appropriate the sum of \$75.00 to carry out the purposes of the Articles.

Motion by Mr. Young.

That the subject matter of these Articles be referred to a committee, consisting of the Board of Selectmen and the Board of Park Commissioners.

Mr. Young's motion taking precedence was put to vote and carried in the affirmative.

ARTICLE 2

On motion by Mr. Marshall.

Voted: That Article 2 be taken up.

Mr. Marshall reported for the committee and placed in nomination the following:

Field Drivers

Carrol Robie, George A. Bennett, Harry I. Peck.

Fence Viewers

Augustus Baxter, Dennis F. Regan, Luther M. Howe.

Surveyors of Lumber

William E. Knox, Henry A. Feindel, Edward G. Bowditch, Ernest E. Prescott, Larkin E. Bennett, Harry McIntosh and Myron Wing.

Planning Board

Edward M. Bridge.

Recreation Committee

Eugene J. Sullivan, George F. Gardner, William Dill, Elizabeth Neary, Edmund W. Sliney, Dorothy Schlotterbeck, Orrin J. Hale.

No other nominations being made, the Clerk was instructed to cast one ballot for above-named and they were declared elected to their respective offices.

ARTICLE 39

To see if the town will authorize the Board of Selectmen to make repairs on the exterior of the Town Hall and raise and appropriate a sufficient sum of money therefor.

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$6,000.00 to carry out the purposes of Article 39.

ARTICLE 40

To see if the town will vote to authorize the Treasurer with the approval of the Selectmen to borrow for ordinary maintenance expenses of the town and for Revenue Loans, the sum of \$96,381.67, or the amount of the Tax Titles taken and held by the town, or a lesser sum, and to issue a note or notes of the town therefor, in accordance with the provisions of Chapter 49 of the Acts of 1933, as most recently amended by Chapter 281 of the Acts of 1936 and to authorize the Assessors to use said sum for the purpose of the reduction of the 1937 Tax Levy or take any action relative thereto.

On motion by Finance Committee.

Voted: That the subject matter of this Article be indefinitely postponed.

ARTICLE 41

To see if the town will amend the Zoning By-Laws, by changing that part of the Single Residence District lying 200 feet easterly from the easterly side of Main Street from the center line of Salem Street northerly to the center line of Cordis Street to a General Residence District.

Mr. Lee reported for the Planning Board and moved indefinite postponement which was voted.

ARTICLE 42

To see if the town will vote to change the Zoning By-Law by inserting in Section 2 under special cases (b) after the word cemetery, the words, "Public Recreational use as a Private Business".

Mr. Lee reported for the Planning Board and moved indefinite postponement which was voted.

ARTICLE 1

On motion by Mr. Clemons.

Voted: That Article 1 be taken up.

Voted: That the report of the Town Officers as printed be accepted.

ARTICLE 43

To see if the town will amend the Zoning By-Laws by adding to Section 3, General Residence Districts, the following paragraph:

Special Case. e. Any dwelling existing in the year 1936 which has ten or more rooms above the basement or cellar may be altered into a tenement house provided the requirements of the tenement house act are complied with.

Mr. Lee reported for the Planning Board that a hearing had been held.

Voted: That the town amend its Zoning By-Laws by adding to Section 3, General Residence Districts, the following paragraph:

Special Case. e. Any dwelling existing in the year 1936 which has ten or more rooms above the basement or cellar may be altered into a tenement house provided the requirements of the tenement house act are complied with. Unanimous vote.

ARTICLE 44

To hear and act upon the report of the committee appointed to study the Tenement House Act and its effect on the Town of Wakefield, said committee having been appointed under Article 37 of the Annual Warrant for 1936.

Mr. Whitney reported for the committee.

Voted: That the report be accepted and adopted.

ARTICLE 45

To see if the town will amend Chapter 11 of the Building Laws of the town, adopted April 16, 1928, and April 1, 1929, by adding at the end, a new section, as follows:

Section XIX—Whoever violates any of the provisions of Chapter 11 of the Building Laws, adopted April 16, 1928, and April 1, 1929, shall be punished by a fine not exceeding \$100.00.

On motion by Mr. Whitney.

Voted: That the town amend Chapter 11 of the Building Laws adopted April 16, 1928, and April 1, 1929, by adding at the end, a new section, as follows:

Section XIX—Whoever violates any of the provisions of Chapter 11 of the Building Laws, adopted April 16, 1928, and April 1, 1929, shall be punished by a fine not exceeding \$100.00. Unanimous vote.

On motion by Mr. Wakefield.

Voted: That this meeting be now dissolved.

Adjourned at 10.45 o'clock. Attendance 350.

SPECIAL TOWN MEETING, APRIL 29, 1937

Meeting called to order at 7.45 o'clock P.M., by Moderator O'Connell, who read the call for the meeting.

On motion by Mr. Clemons.

Voted: That further reading of the warrant be waived, with the exception of the Constable's Return. Constable's Return read.

ARTICLE 1

To see if the town will vote to raise and appropriate a sufficient sum of money to provide funds for the Contributory Retirement System authorized under Chapter 318, Acts of 1936, accepted by vote of the town, November 3, 1936, and effective July 1, 1937, and for administrative expenses incidental thereto.

On motion by Finance Committee.

Voted: That the town raise and appropriate the sum of \$4,500.00 to provide funds for the Contributory Retirement System for the period from July 1, 1937, to December 31, 1937, and raise and appropriate the sum of \$500.00 for administrative expenses incidental thereto.

ARTICLE 2

To see if the town will authorize the Water and Sewerage Board to construct a sewer in Birch Hill Avenue from Nahant Street southerly, approximately 260 feet; and raise and appropriate a sufficient sum of money therefor.

Motion by Finance Committee.

Voted: That the Water and Sewerage Board be authorized to construct a sewer in Birch Hill Avenue as proposed under Article 2 and that the town raise and appropriate the sum of \$1,300.00 therefor.

ARTICLE 3

To see if the town will authorize a lease to be executed on behalf of the Town by the Water and Sewerage Board of the so-called Hackett property off North Avenue, and bordering on Lake Quannapowitt, to the Sea Scouts.

On motion by Finance Committee.

That the Water and Sewerage Board be authorized to execute a lease on behalf of the town, for a period not exceeding one year, of the so-called "Hackett" property as described in Article 3 to the Sea Scouts.

Amendment by Mr. Clemons.

That lease be executed by some responsible person on behalf of the Sea Scouts.

Amendment accepted and original motion as amended was then voted.

ARTICLE 4

To hear and act upon a report of the Board of Selectmen laying out a town way under the Betterment Act in substantially the location of the private way known as Eastern Avenue running from Court Street to Vernon Street, and raise and appropriate money for the construction thereof.

On motion by Mr. Blanchard.

Voted: That the town accept and allow a report of the Board of Selectmen laying out a town way in substantially the location of the private way known as Eastern Avenue, all as shown on a plan filed with the Town Clerk with said report. The street to be laid out under the law authorizing Betterments. The cost of construction of said street to be taken from the proceeds of the Bond Issue authorized under Article 26 of the Annual Town Meeting of 1937.

ARTICLE 5

To hear and act upon a report of the committee appointed under Articles 37 and 38 of the Warrant for the Annual Meeting of 1937, relative to releasing rights of way and taking or purchasing land of Albert C. and Sophie Murray under the following Articles:

To see what action the town will take relative to exchanging land and releasing rights of way with Albert C. Murray and Sophie Murray, which land and ways are adjacent to other land of said Murrays, the Greenwood Playground and High Street.

To see if the town will take by right of eminent domain a piece of land fronting on High Street, approximately 42 feet long on said High Street, and about 24½ feet in width, said land being the property of Albert C. and Sophie Murray, and bounded on the south by land taxed to Nina H. McGovern, on the east by the Greenwood Playground, said land when taken to leave Mr. Murray's lot with its southern boundary straight and provide a clear entrance to the Greenwood Playground, and raise and appropriate money to pay for it.

Mr. Blanchard reported for the committee.

A motion by Mr. Round that the report be accepted was withdrawn.

On motion by Mr. Clemons.

Voted: That the report of the committee be laid upon the table, until the report of the Finance Committee be heard.

Finance Committee reported as follows:

That the town take for park purposes by right of eminent domain under Chapter 80A of the General Laws, Tercentenary Edition, a piece of land fronting on High Street, approximately 42 feet long on said High Street, and about 24½ feet in width, said land being the property of Albert C. and Sophie Murray, and bounded on the south by land taxed to Nina H. McGovern, on the east by the Greenwood Playground, said land when taken to leave Mr. Murray's lot with its southern boundary straight and provide a clear entrance to the Greenwood Playground.

On motion by Mr. Clemons.

Voted: That the committee report be taken from the table.

On motion by Mr. Clemons.

Voted: That the entire matter be referred back to the same committee, to report at a future town meeting.

ARTICLE 6

To hear and act upon a report of the committee appointed under Article 25 of the Warrant of the Annual Town Meeting of 1937, and to see if the town will authorize and request the Town Treasurer and Tax Collector to foreclose the Town Tax Titles, described in Article 25 of the warrant for the Annual Town Meeting of 1937, and raise and appropriate a sum of money therefor.

Mr. Round reported verbally for the committee.

On motion by Finance Committee.

Voted: That the town authorize and request the Town Treasurer and Tax Collector to foreclose the Town Tax Titles described in Article 25 of the warrant for the Annual Town Meeting of 1937, and raise and appropriate the sum of \$150.00 therefor.

ARTICLE 7

To see if the town will raise and appropriate additional money to be used in WPA projects for supervision, trucking, materials, office supplies, etc.

Finance Committee moved indefinite postponement and it was so voted.

On motion by Mr. Blanchard.

Voted: That this meeting be now dissolved.

Adjourned at 8.30 P.M. Attendance 75.

SPECIAL TOWN MEETING, JUNE 16, 1937

Meeting called to order at 7.45 o'clock P.M., by Moderator O'Connell, who read the call for the meeting.

On motion by Mr. Clemons.

Voted: That further reading of the warrant be dispensed with, excepting the Constable's Return.

Constable's Return read.

ARTICLE 1

To see if the town will authorize the Water and Sewerage Board to construct a sewer in Cordis Street, 624 feet to Main Street, thence southerly in said Main Street to the intersection of Central Street, also in Central Street, 491 feet to Main Street, and in Main Street from Central Street to the intersection of Sweetser Street, and also to construct and equip an underground sewage ejector station opposite Central Street, in land between Main Street and Lake Quannapowitt, and also to install and lay a force main from said ejector station in Main Street to the gravity sewer near Aborn Avenue and appropriate a sufficient sum of money therefor, and authorize the Treasurer with the approval of the Selectmen to borrow such money and issue the notes or bonds of the town therefor.

Finance Committee recommended that the town authorize the Water and Sewerage Board to construct a sewer as called for in the Article.

On motion by Mr. Clemons.

Voted: That the town authorize the Water and Sewerage Board to construct a sewer in Cordis Street, 624 feet to Main Street, thence southerly in said Main Street to the intersection of Central Street, also in Central Street, 491 feet to Main Street, and in Main Street, from Central Street to the intersection of Sweetser Street, and also to construct and equip an underground sewage ejector station opposite Central Street, in land between Main Street, and Lake Quannapowitt and also to install and lay a force main from said ejector station in Main Street to the gravity sewer near Aborn Avenue, and appropriate the sum of \$25,000.00 therefor, and that said sum be borrowed and the Town Treasurer be, with the approval of the Selectmen, authorized to borrow said sum of \$25,000.00 and issue notes or bonds of the town therefor, said notes or bonds to be payable \$2,500.00 in each of the years 1938 to 1947 inclusive. Unanimous vote.

ARTICLE 2

To see if the town will authorize the Water and Sewerage Board to construct a sewer from Lindbergh Road through Crystal Street to Greenwood Street, thence through Greenwood Street to Myrtle Avenue, thence southerly in Myrtle Avenue, 382 feet; thence easterly through land of the Wakefield Savings Bank and land and location of the Boston and Maine Railroad to the trunk line outfall sewer, and appropriate a sufficient sum of money therefor, and authorize the Treasurer with the approval of the Selectmen to borrow the necessary money therefor and issue notes or bonds of the town, and authorize the taking by eminent domain or the purchase of any necessary easements or rights in lands or locations for said sewers.

Finance Committee recommended that the town authorize the Water and Sewerage Board to construct a sewer as called for in the Article.

Motion by Mr. Clemons.

That the town authorize the Water and Sewerage Board to construct a sewer from Lindbergh Road through Crystal Street to Greenwood Street thence through Greenwood Street, to Myrtle Avenue, thence southerly in Myrtle Avenue, 382 feet; thence easterly through land of the Wakefield Savings Bank and land and location of the Boston and Maine Railroad to the trunk line outfall sewer, and appropriate the sum of \$21,000.00 therefor, and that said sum be borrowed and the Town Treasurer be, with the approval of the Selectmen, authorized to borrow said sum of \$21,000.00 and issue notes or bonds of the town therefor, said notes or bonds to be payable \$3,000.00 in the year 1938 and \$2,000.00 in each of the years 1939 to 1947 inclusive, and authorize the taking by eminent domain or the purchase of any necessary easements or rights in lands or locations for said sewers.

An amendment by Mr. Yeuell limiting the length of the sewers was lost.

The main question was then put to vote with the following result: Affirmative 114, Negative 15.

The necessary two-thirds being attained, the vote was declared carried.

ARTICLE 3

To hear and act upon a report of the Board of Selectmen laying out a town way under the Betterment Act in substantially the location of the private way known as Wilson Avenue running from Preston Street to Oakland Street and appropriate money for the construction thereof.

On motion by Mr. Clemons.

Voted: That the town accept and allow a report of the Selectmen laying out a town way in substantially the location of the private way known as Wilson Avenue, all as shown on a plan filed with the Town Clerk with said report. The street to be laid out under the law authorizing Betterments.

ARTICLE 4

To hear and act upon a report of the Board of Selectmen laying out a town way in substantially the location of the private way known as Maple Way running from Greenwood Avenue to the Greenwood Park or Playground and appropriate money for the construction thereof.

On motion by Mr. Clemons.

Voted: That the town accept and allow a report of the Selectmen laying out a town way in substantially the location of the private way known as Maple Way, all as shown on a plan filed with the Town Clerk with said report.

ARTICLE 5

To hear and act upon a report of the Board of Selectmen altering and re-locating Grafton Street and Main Street at their intersection and appropriate money for the construction thereof.

On motion by Finance Committee.

Voted: That the town accept and allow a report of the Board of Selectmen on altering and re-locating Grafton and Main Streets at their intersection, providing no appropriation is called for at this time. The plan on such alterations filed with the Town Clerk.

On motion of Mr. Wakefield.

Voted: That this meeting be now dissolved.

Adjourned at 8.35 o'clock P.M. Attendance 160.

SPECIAL TOWN MEETING, AUGUST 11, 1937

Meeting called to order at 7.00 o'clock P.M., by Moderator O'Connell, who read the call for the meeting.

On motion by Mr. Clemons.

Voted: That further reading of the warrant, with the exception of the Constable's Return, be dispensed with.

Constable's Return read.

ARTICLE 1

To see if the town will vote to authorize the Board of Selectmen to purchase a second-hand commercial truck at a net cost not exceeding \$1090.00, exchanging similar equipment therefor, where now owned, the net cost of same to be paid from the Highway Department appropriation in the amount of \$600.00 and from WPA Funds in the amount of \$490.00.

On motion by Finance Committee.

Voted: That the Board of Selectmen be authorized to purchase a second-hand commercial truck at a net cost not exceeding \$1,090.00, exchanging similar equipment therefor, where now owned, the net cost of same to be paid from the Highway Department appropriation in the amount of \$600.00 and from WPA Funds in the amount of \$490.00. (A motion by Mr. Landers to indefinitely postpone was lost.)

ARTICLE 2

To hear and act upon a report of the Board of Selectmen laying out a town way under the Betterment Act in substantially the location of the private way known as Coolidge Park, running northerly from Lowell Street, and appropriate money for the construction thereof.

On motion by Finance Committee.

Voted: That the subject matter of this Article be indefinitely postponed.

ARTICLE 3

To see if the town will vote to place in charge of the Park and Cemetery Commissioners, the areas not used for highway purposes at the following intersections: Prospect, Hopkins and Brook Streets; Salem and Vernon Streets; Prospect Street and Bellevue Road; Nahant and Farm Streets; Eaton and Crescent Streets; North Avenue and Church Street; Franklin and Nahant Streets; Main Street between Richardson and Bennett Streets; Oak Street and Greenwood Avenue.

On motion by Finance Committee.

Voted: To place in charge of the Park and Cemetery Commissioners, the areas not used for highway purposes at the following intersections: Prospect, Hopkins and Brook Streets; Salem and Vernon Streets; Prospect Street and Bellevue Road; Nahant and Farm Streets; Eaton and Crescent Streets; North Avenue and Church Street; Franklin and Nahant Streets; Main Street between Richardson and Bennett Streets; Oak Street and Greenwood Avenue.

On motion by Mr. Preston.

Voted: That this meeting be now dissolved.

Adjourned at 7.11 o'clock P. M. Attendance 17.

FREDERIC S. HARTSHORNE,
Town Clerk.

Report of Selectmen

To the Citizens of the Town of Wakefield:

We herewith respectfully submit the annual report of the Board of Selectmen for the year ending December 31, 1937, together with the reports of the several departments under our control or supervision.

ORGANIZATION

The Board consisting of George J. Evans, Donald White, William Blanchard, Charles F. Young and V. Richard Fazio organized March 9, 1937 by electing George J. Evans, Chairman and Charles F. Young, Secretary. Charles C. Cox was appointed Clerk.

COMMITTEE APPOINTMENTS

Highway Department—George J. Evans.

W. P. A.—George J. Evans.

Fire Department—Charles F. Young.

Police Department—Donald White.

Town Hall—William Blanchard.

Moth Department—William Blanchard.

Committee on Traffic—Donald White.

APPOINTMENTS

Town Counsel—Maynard E. S. Clemons.

Superintendent of Streets—Harry H. Denning.

Janitor of Town Hall—James J. Logan.

Night Janitor of Town Hall—Thomas E. Giles.

Fire Inspector—Fred D. Graham.

Wire Inspector—Fred D. Graham.

Registrar of Voters, 3 years—Fred E. Bunker.

Inspector of Animals—George A. Bennett.

Dog Officer—George A. Bennett.

Burial Agent—John Findlay, Jr.

Agent, Care of Soldiers' Graves—John Findlay, Jr.

Soldiers' Relief Agent—John Findlay, Jr.

Board of Appeal for Three Years—A. Francis Harrington.

Lock-Up Keeper—Eugene P. McDonnell, March-June, John G. Gates, June-December.

Inspector of Buildings—Joseph W. MacInnis.

Compensation Agent—Joseph W. MacInnis.

Moth Superintendent—John A. Landry.

Forest Warden—Fred D. Graham.

Constables—Harry A. Simonds, Louis N. Tyzzer, Harold Anderson, George B. DeRoche.

Agent, Federal Relief Projects—J. Theodore Whitney.

Sweetser Lecture Committee—Cyrus M. Dolbeare, George E. Potter, Eb V. Yeuell, Charles J. Peterson, Harry I. Reed, and Thomas F. Kenney.

Licenses granted by the Selectmen for the sale of Alcoholic Beverages for the year 1937 are listed below, actual receipts from same, also receipts from other licenses granted during the year 1937 are shown in Town Accountant's report.

RETAIL PACKAGE GOODS STORES, ALL KINDS OF ALCOHOLIC BEVERAGES

Israel Blank, 6 Water Street.

John Jeffrey, 410 Main Street.

Ignazio Palumbo, 39 Albion Street.

Salvatore Tine, 38 Water Street.

The year 1937 was notable for the amount of work that may be classed as permanent construction that was undertaken and for the most part completed by the various town departments.

As in the past few years, the local administration of the federal relief program, carried on in Wakefield under the Works Progress Administration, has been the greatest problem confronting the Board of Selectmen. With a quota of employees varying between 150 and 315 and a federal contribution of approximately \$160,000 paid in salaries during the year, a definite program was undertaken with as much emphasis as possible being placed on construction of a permanent nature. Under a Town meeting vote of January 4, \$17,000 was appropriated for the remodeling of the Lafayette School into a building suitable for municipal offices and quarters for the veteran organizations, with the understanding that the work would be done under a federal project. The rebuilding of this school was the major relief project throughout the year. Additional funds were taken from the general W. P. A. account when necessary and at the close of the year the building is nearing completion and should be ready for occupancy next spring.

Second perhaps in importance of the projects undertaken, was the original construction of certain newly accepted streets. Funds for this work were obtained by the issuing of bonds under a vote of the annual town meeting, the labor being provided by the federal government as on other relief projects. Under this group of projects Swain Place, Fox Road and a section of Strathmore Road were completed. Considerable work was also done on Converse Street, Central Street and Gladstone Street, while Oak Ledge Road, Wilson Avenue and Eastern Avenue have been accepted by the Town for similar construction.

Outstanding among the other W. P. A. projects, there being some twenty-four in all, were the construction of a Pumping Station at the Town wells off Nahant Street, replacing a temporary building of the Water Depart-

ment, the laying of water pipes on Strathmore and Outlook Roads, the pre-casting of 15,000 feet of curb, and the laying of 12,000 feet of curb and 11,000 feet of concrete sidewalk. Much work was also done on Moulton Playground, the Forest Glade Cemetery and on other smaller projects which will be mentioned in the report of the W. P. A. administrator.

Although the road and sidewalk construction under the W. P. A. increased the work, both in regard to supervision and the use of equipment, of the Highway Department, that department completed the work planned for the year. Crescent Street was rebuilt its entire length and about 700 feet of Pleasant Street was resurfaced. A section of Prospect Street was widened and a new sidewalk was laid on Chestnut Street from Main Street to North Avenue. With the help of the State and County, as provided under Chapter 90 of the General Laws, about 1000 feet of Salem Street was resurfaced and Vernon Street was resurfaced from Cordis Street north 2,200 feet, the surface drainage being put in to the Lynnfield line.

The repairing of the exterior of the Town Hall and the installation of a new boiler by the Selectmen and the extensive construction of sewers by the Water and Sewerage Department, particularly on Greenwood Street and Cordis Street, added to the permanent construction of the year.

The reorganization of the Police Department which was started last year was continued. Sergeant George B. DeRoche was appointed a lieutenant in February and examinations were held to fill the position of sergeant. On recommendation of Chief Gates the department regulations were changed so that the superior officers shall consist of a chief, a lieutenant, and two sergeants. On November 2, Officers John M. Wenzel and Walter E. Peterson were raised to the rank of sergeant.

Early in the year it became necessary to remove one of the patrolmen from the force and this was done in accordance with the regulations of the Civil Service Department. On August 15, another vacancy was caused by the retirement of Officer James McFadden after fifty years of service on the Wakefield Police Force. These vacancies were filled on November 2 by the promotion of Eugene Hathaway and Winslow Smith from the reserve force to the position of regular patrolmen and the appointment of Harold J. Maloney and John F. Mahoney to the reserve list.

The customary good work of the Fire Department was again endangered by the age of certain pieces of its apparatus. The White truck now being used is a 1917 touring car rebuilt into a fire truck in 1920 and it should be replaced as soon as possible.

Vacancies occurring in various town boards during the year resulted in joint meetings of the respective boards with the Selectmen and the appointment of William Jones to the School Committee, John W. MacGillvary to the Park and Cemetery Board and Thomas Powers to the Recreation Committee. Further appointments were made, in accordance with the Town's acceptance of an act providing for a contributory retirement system, when James M. Henderson, Charles C. Cox and Leonard H. DeMarco were appointed as a Retirement Board.

The increase in the cost of living during the spring and summer and the possibility that the Town's financial condition had improved brought about an increase for the employees of the town departments under the control of the Selectmen. On December 1 the ten per cent cut from the employees' salaries in 1932 was returned and certain other salary adjustments were made in order that the wage schedules be more equitable.

In closing this report the Selectmen would like to recommend to the people of Wakefield that they purchase a new 750-gallon pump for the Fire Department to replace the White truck now being used.

The Selectmen were greatly aided during the year by the excellent work of their agents and by the constant co-operation of the other town boards, and to them they wish to extend their thanks.

GEORGE J. EVANS
DONALD WHITE
CHARLES F. YOUNG
WILLIAM BLANCHARD
V. RICHARD FAZIO
Selectmen.

Report of Chief of Police

January 1st, 1938.

To the Honorable Board of Selectmen:—

Gentlemen:

I have the honor to submit to your Honorable Board, the report of the doings of the Police Department for the year ending December 31, 1937.

Number of arrests	507
Number of arrests on warrants	19

Miles covered by Chevrolet car	8,420
Miles covered by motorcycle	100
Money collected at office for fines imposed by the court	\$1,173.50
Money collected at office for non-support	\$151.00
Money collected at office for restitution	\$136.00
Money collected for revolver permits issued	\$44.50

During the past year some changes have been made within the department. On February 16, 1937, Sergeant George B. DeRoche was appointed a Lieutenant of Police. This appointment became effective on March 1, 1937. On August 15, 1937, Patrolman James A. McFadden, after having served the town as a police officer since May 1, 1888 with honor, courage and honesty, retired on pension.

On November 2, the Board of Selectmen, upon my recommendation, voted to change the number of sergeants in the department from one to two and section one of the Rules and Regulations of the Department was changed to comply with the vote.

On November 2, Patrolmen John M. Wenzel and Water E. Peterson were appointed Sergeants. These appointments became effective on December 1, 1937.

On November 2, 1937, Officers Eugene F. Hathaway and Winslow R. Smith were appointed from the reserve list to regular patrolmen to fill vacancies in the department. These appointments became effective December 1.

On November 2, John F. Mahoney and Harold J. Maloney were appointed reserve officers to fill vacancies. These appointments became effective December 1, 1937.

During the year the cruising car has been equipped with radio whereby officers in the car not only receive messages sent to them from the office by way of the Arlington police radio but are able to talk by means of the radio in the car to our station at all times.

This means of communication with the station has proved to be very efficient and reliable and during the year it has proven its worth in several instances.

DISCIPLINE

During the year one officer was dismissed from the department and one officer was disciplined for violations of the rules and regulations governing the department.

RECOMMENDATIONS

I recommend the sum of \$392.00 for the installation of the teletype system, this being necessary owing to the fact that the New England Telephone Company has increased the price on the private line to the Arlington police radio and I had it taken out.

I recommend the sum of \$250.00 for the purpose of purchasing a camera and finger print equipment and the furnishing of quarters for the maintenance of the same.

CONCLUSION

In closing this report I wish to extend my sincere thanks to the Honorable Board of Selectmen for the interest and co-operation manifested by each of them in all matters pertaining to this department during the past year; also to Mr. Donald White for his hearty co-operation, advice and time given during the year as Committee on Police.

To the various town departments who have assisted and co-operated with the Police Department in various ways during the year and to each and every person who has in any way assisted this department, my thanks.

I want also to extend my sincere thanks to Dr. Curtis L. Sopher for his manifested interest in the department and for the many favors he has done for it during the past year.

I wish to extend my sincere thanks to the Lieutenant, Sergeants and all members of the department for their hearty co-operation and their faithful discharge of their duties.

Respectfully submitted,

JOHN G. GATES,

Chief of Police

Report of Chief of Fire Department

Wakefield, Mass., January 1, 1938.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my Annual Report of the Fire Department for the year ending December 31, 1937, with the total number of alarms, and the losses on same as near as is possible to obtain.

APPARATUS

There are at the present time 7 pieces of apparatus in this department.

One Triple Combination purchased from the Seagrave Corp. and put in service July, 1924. This piece of apparatus is equipped with a 750-gallon centrifugal pump, 1250 ft. of 2½-inch hose, 80-gallon water tank, 200 ft. of ¾-inch hose for booster line, two types of cellar pipes, salvage covers for furniture protection, stretcher, canister-type smoke masks, three types of extinguishers, fog nozzle for oil and gasoline fires, first-aid kit, ladders, and much other equipment necessary for an efficient unit.

One Double-bank Type 75-ft. Aerial Ladder Truck purchased from the Seagrave Corp. and put in service December, 1928. This piece of apparatus carries 379 ft. of ladders, 80-gallon water tank, 200 ft. of ¾-inch hose for booster line, booster pump, life net, salvage covers, stretcher, 2 oxygen-type masks for heavy concentrations of smoke and gases, 3 canister-type masks, 1 portable type Baker water gun, several types of cellar pipes, water gun mounted on aerial ladder with 3-inch hose attached, oxygen tank for resuscitation work, and other necessary equipment.

One Pierce-Arrow Squad Car which was placed in service in 1926. Equipment consists of one 1100-gallon capacity water gun mounted, 1000 ft. of 1½-inch hose, nozzles, adapters, extinguishers, and other minor equipment.

One White Combination put in service in 1920 and equipped with 1000 ft. of 2½-inch hose, 250 ft. of ¾-inch hose, 35-gallon chemical tank, four types of extinguishers, two canister-type smoke masks, salvage covers, ladders, and other necessary equipment. This piece of apparatus has been in service for eighteen years and cannot be relied upon. I again urge that this machine be replaced this year.

One Pierce-Arrow Combination put in service in 1927. Equipment consists of 800 ft. of 2½-inch hose, 200 ft. of ¾-inch hose for booster line; booster pump, 52-gallon water tank, extinguishers, Eastman Deluge Set, and other equipment. Due to the fact that this machine was made over from a pleasure car and is light in construction for heavy work, this machine is used as a reserve piece to replace such other pieces of its type as may be forced out of service for repairs.

One Buick Chief's Car purchased in 1929 and which has been a valuable asset to the department's equipment.

One Triple Combination of 600-gallon capacity stationed at Greenwood.

Is equipped with centrifugal type pump, 1350 ft. of 2½-inch hose, 200 ft. of ¾-inch hose for booster line, 80-gallon water tank, cellar pipe, salvage covers, smoke mask, ladders, and other necessary equipment.

In urging the replacement of Combination No. 1, I feel that this piece of apparatus no longer can be relied upon to perform the many emergency calls to which it is put during a year.

I wish to call to your attention the condition of the heater in the Central Fire Station. This is a tubular type heater which was installed in 1900, when the station was built. In the past few years the shell has been patched three times and tubes renewed. Boiler inspectors have advised that this heater be replaced.

During the year the department has responded to 354 alarms divided as follows: 75 box alarms, and 279 still alarms.

Estimate of property endangered	\$201,025.00
Loss on same	20,101.96
Insurance on same	220,300.00
Insurance paid on same	18,851.96
Transit value	14,400.00
Transit loss	85.00

CONCLUSION

In closing this report I wish to extend my sincere thanks to the Honorable Board of Selectmen for the interest and co-operation manifested by them in all matters pertaining to this department.

To Mr. Charles F. Young for his hearty co-operation and interest during the past year on matters pertaining to this department as Committee on Fire Department.

To the various other Town Departments who have rendered valuable assistance by their hearty co-operation with this department during the past year.

To the officers and members of the Fire Department for the prompt and faithful discharge of their duties, my sincere thanks are also due.

To Dr. Curtis L. Sopher, Department Physician, my sincere thanks for the interest shown and the valuable aid given to members of this department who were injured in the line of duty.

Respectfully submitted,

CHIEF FRED D. GRAHAM,

Chief of Fire Department.

This year has seen the passing away of two loyal members of this department.

On March 20, Captain George Sederquest passed away following a brief illness.

Captain Sederquest was appointed a call-man in June, 1901, and assigned to the Ladder Company.

In April of 1918 he was appointed to the permanent force.

When the two-platoon system went into effect Mr. Sederquest was promoted to the rank of Lieutenant.

December 1, 1935, Lieut. Sederquest was promoted to a Captaincy and served as such until his death.

The Fire Department has lost a loyal and efficient officer.

Death claimed another member of the department on July 19, when Henry Fay passed to his reward, following a short illness.

Mr. Fay was the oldest active member of the Fire Department with an enviable record dating back to June, 1876, when he became a member of the old Cyrus Wakefield Company.

In 1881 he was transferred to the Yale.

On June 2, 1884, he was assigned to the Chemical.

In May, 1885, he was transferred to the Carter Hose Company, where he served as Lieutenant for three years and Captain for one year in 1891.

On November 16, 1906, Mr. Fay was transferred to the Steamer Company and with the abolition of the steam fire engines he was assigned to the motorized Engine Company No. 1; serving with this company until his death.

Mr. Fay also acted as "observer" at the Hart's Hill forest fire tower for several years.

GEORGE SEDERQUEST
1901 - 1937

HENRY FAY
1876 - 1937

Report of Forest Warden

Wakefield, Mass., January 1, 1938.

To the Honorable Board of Selectmen:

Gentlemen:

During the past year there was a total of 209 woods and grass fires.

Respectfully submitted,

CHIEF FRED D. GRAHAM,
Forest Warden.

Report of Inspector of Wires

Wakefield, Mass., January 1, 1938.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my Annual Report as Inspector of Wires in compliance with the vote of the Town, 1922.

There was a total of 387 inspections made. All defects found were made to conform with the National Code.

Respectfully submitted,

CHIEF FRED D. GRAHAM,
Wire Inspector

Report of Superintendent of Streets

January 20, 1938

To the Honorable Board of Selectmen:
Wakefield, Massachusetts.

Gentlemen:

I respectfully submit the annual report of the work done and the expense incurred in the Highway Department for the year ending December 31, 1937.

In addition, leaves and debris on tops of catchbasins were cleaned and culverts cleared during and after rain storms.

The cost on the above work was as follows:

Labor	\$ 2,040.35
Trucks	56.42
Material	1,946.52
	<hr/>
	\$ 4,043.29

REBUILDING

Pleasant Street (Vernon Street to Otis Street) 450' x 24'
(Pearl Street to Salem Street) 225' x 24'

The rebuilding of these two sections of roadway accomplished this year makes a continuous stretch now from Vernon Street to Salem Street. The old surface, with rather steep gutters was scarified, reshaped with

gravel, rolled, and then surfaced with 3" of crushed stone and penetrated with asphalt.

The cost of the above was as follows:

Labor	\$ 647.81
Material	794.48
	<hr/>
	\$ 1,442.29

Crescent Street (Water Street to Main Street) 1575' x 24' to 32' wide.

This important artery has been in need of permanent construction for many years. The old surface was broken up and reshaped to a better cross section, rolled and 3" crushed stone, penetrated with asphalt. One inch bituminous concrete type "I" was laid on top for a finish course. This type of road surface is gaining favor, particularly on residential streets, as it helps to reduce noise of passing cars, is easier to keep clean, and to make surface repairs due to other public utilities. A portion (60' x 11' wide) of the cement apron in front of the Fire Station was broken out and raised with new concrete, thereby improving the entrance.

During construction, applications for curb were received, and with your approval, 274 linear feet of concrete curb were placed. In order to prevent surface water from running on private land, it was necessary to rebuild 270 linear feet of asphalt walk with 65 linear feet of granite retaining wall.

The cost of the above was as follows:

Labor	\$1,961.21
Trucks	127.00
Material	3,358.89
	<hr/>
	\$ 5,447.10

NEW EQUIPMENT

1 Two-ton Cletrac with Plow	\$ 1,795.00
1 Two-ton Dodge Dump Truck	600.00
1 One-half ton Dodge Truck	591.75
1 Burch Stone Spreader	343.00
1 Second-hand Plymouth Sedan	300.00
1 Blade Plow	275.00
	<hr/>
	\$ 3,904.75

SIDEWALKS

In this year's budget was the rebuilding of the asphalt sidewalk on the south side of Chestnut Street, between Main Street and North Avenue. Eight hundred eighty linear feet of asphalt sidewalk were built, and 526 linear feet of concrete curb were laid.

The northwest corner of Wakefield Avenue at Water Street was rebuilt with new granite curb and cement sidewalk in accordance with the new layout by the County Commissioners.

Also included in this year's budget was the installation of 269 linear feet of granite curb for five abutters on Stedman Street.

The cost of sidewalk work for the year was:

Labor	\$ 1,536.27
Trucks	8.00
Material	1,330.23
	<hr/>
	\$ 2,874.50

CHAPTER 90 WORK

This year we resurfaced Vernon Street from a point about 200 feet south of Cordis Street to about Foster's Lane, a distance of 2350 linear feet x 30 feet wide, type "I" construction, including the very large intersection at Lowell Street. Surface drainage was installed to the town line. Fibre ducts were laid at the intersection of Lowell Street for electric wires to proposed islands that will be required in the future.

Appropriation by Town	\$ 6,675.00
Allotment from State	8,900.00
Allotment from County	4,450.00
	<hr/>
Total Allotment	\$ 20,025.00
Expended	19,336.25
	<hr/>
Balance	\$ 688.75
Balance from 1936	\$ 1,190.22
Expended on Account	1,189.95
	<hr/>
Balance	\$ 0.27

The reconstruction of Salem Street was continued from where we left off in 1936 for a distance of 525 linear feet x 30 feet wide. The old surface of bituminous macadam, about 20 feet wide, was saved and widened on both sides with crushed stone, and then the entire surface was topped with bituminous concrete. Surface drainage was installed prior to resurfacing.

Appropriation by Town	\$ 1,150.00
Allotment from State	2,300.00
Allotment from County	1,150.00
	<hr/>
Total Allotment	\$ 4,600.00
Expended	4,593.96
	<hr/>
Balance	\$ 6.04
Balance from 1936	\$ 836.13
Expended on Account	833.25
	<hr/>
Balance	\$ 2.88

Chapter 90 Maintenance—The following streets received surface treatment of tar or asphalt:

Water Street—from Melvin St. to Saugus line
 Salem Street—Charles St. to Lynnfield line
 Lowell Street—Main St. to Reading line
 Albion Street—Byron St. to Stoneham line

Main Street—Salem Street to White Avenue—on east side, was excavated, and crushed stone laid to the curb line, and asphalted.

Main Street—Forest Street to Melrose line—gutters on both sides were excavated and surfaced with pre-mix asphalt type "E" to the new concrete curbs installed by WPA.

Iron rail fence on Main Street, guard rail posts on Lowell Street and New Salem Street were painted.

Appropriation by Town	\$ 1,700.00
Allotment from State	1,400.00
Allotment from County	2,000.00
	<hr/>
Total Allotment	\$ 5,100.00
Expended	5,099.86
	<hr/>
Balance	\$ 0.14

During the past few years, the department has availed itself of every opportunity to employ welfare labor in departmental activities in order to effect possible savings in current appropriations. The value of the labor received from the Welfare Department on the basis of \$3.00 per eight-hour day for the year 1937, amounted to \$4,089.00, and was distributed as follows:

Patching	\$ 134.00
Tar and Sand	116.00
Street Cleaning	1,021.50
Guard Rail	3.00
Sidewalks	81.00
Grass Plots and Removing Paper	249.00
Snow and Ice	51.00
Buildings	27.00
Snow Fence	78.00
Drainage	921.25
Rebuilding	6.00
Traffic Lines	6.00
Resurfacing and Repairs (Widening of Streets)	1,229.50
WPA	165.75
	<hr/>
	\$ 4,089.00

The value of the labor received from the Soldiers' Relief Department on the basis of \$4.40 per eight-hour day, for the year 1937, amounted to \$4,661.35, and was distributed as follows:

Patching	\$ 1,091.80
Tar and Sand	156.80
Street Cleaning	806.60
Drainage	349.80
Street Signs	176.00
Grass Plots and Removing Paper	464.20
Snow and Ice	77.00
WPA	321.00
Removal of Ashes	63.80
Buildings	417.20
Traffic Lines	152.00
Sidewalks	13.20
Guard Rail	22.00
Repairing Equipment	61.20
Rebuilding	22.00
Repairs to Tools	144.00
Resurfacing and Repairs (Widening of Streets)	272.15
Snow Fence	50.60
	<hr/>
	\$ 4,661.35

Respectfully submitted,
HARRY H. DENNING,
 Superintendent of Streets.

Report of Supt. of Moth Dept.

Wakefield, Mass., January 1, 1938.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Superintendent of the Moth and Tree Departments for the year ending December 31, 1937.

We have found that the Satin Moth and the Brown Tail Moth are about the same as in 1936. The Gypsy Moth has increased ten per cent, the Elm Leaf Beetle and the Tent Caterpillar have increased twenty-five per cent over 1936. The increases of the Gypsy Moth and the Tent Caterpillar are very serious. We have found no trace of the Dutch Elm Disease as yet but with the increase of the Elm Leaf Beetle comes the danger of infestation from this disease.

We have been obliged to cut down 35 shade trees which have died from various causes and from the widening of streets. We have planted 125 young trees along streets where they were needed most. Of these trees, 80 were bought with an expenditure of \$197.50. The other 45 were grown in our own nursery at Broadway.

We spent \$3,905.19 for moth work and spraying; \$2,766.79 for trimming, cutting down trees and cutting brush.

For other expenditures and appropriations of this department see the Town Accountant's Report.

Respectfully yours,

JOHN A. LANDRY,

Superintendent of Moth and Tree Dept.

Report of Inspector of Buildings

Wakefield, Mass., January 1, 1938.

To the Honorable Board of Selectmen,
Wakefield, Mass.

Gentlemen:

I submit the following report of my activities for the year 1937:

Building permits granted	134
Building inspections	304
Public buildings inspected	9
Elevators inspected	13
Convalescent homes inspected	3
Fire escapes inspected	10
Signs and awnings	20
Rooming houses inspected	8
Inspections after fires	14
Buildings torn down	5
Buildings moved to new locations	1
Buildings without permits	18
Permits refused	6
Cases to Appeal Board	2
Schools inspected	10
Permits suspended temporarily for violations of building laws	2
Complaints investigated	14
Installing signs or awnings without permits	7

Approximate valuation of new construction \$234,453.00. \$239.50 permit fees.

\$63,000.00 of the above approximate valuation is for the Lafayette School and not taxable.

I wish to thank the Municipal Light, Water, and Highway Departments for helping to promote building and co-operating with me during the year. Thanks also are due to Fire Chief Graham for his assistance on fire hazards.

Respectfully submitted,

JOSEPH W. MacINNIS,
Building Inspector.

Report of Compensation Agent

Wakefield, Mass., January 1, 1938.

To the Honorable Board of Selectmen:

Wakefield, Mass.

Gentlemen:

There were 35 compensation cases in 1937 requiring an expenditure of \$1,864.90 out of an appropriation of \$2,000.00, with a refund to town of \$81.00, making a total of \$2,081.00.

Expenditures are as follows:

	Appropriation	\$2,000.00
	Refund	81.00
	Total	\$ 2,081.00
Water Dept. 11 injuries cost	\$ 897.84	
Sewer Dept. 18 injuries cost	53.10	
Highway Dept. 7 injuries cost	913.96	\$1,864.90
	Balance	\$ 216.10

There was one case before the Industrial Accident Board during the year, case settled by attorneys on both sides satisfactorily to the injured and myself.

Respectfully submitted,

JOSEPH W. MacINNIS,
Compensation Agent.

Report of Town Counsel

Wakefield, Mass., January 18, 1938.

To the Honorable Board of Selectmen:

Wakefield, Mass.

Gentlemen:

As Town Counsel for the year 1937, I make the following report concerning the legal affairs of the town, largely relating to matters in the Courts.

Pending—One suit in tort for alleged injury from defect in highway for \$5,000.00

Pending—One suit in tort for alleged injury from defect in highway for \$3,000.00.

Pending—One suit in tort for alleged injury from defect in highway for \$3,000.00.

This last case to be defended by Insurance Co.

Pending—Contract Action by City of Boston for \$20,000.00 for claims for aid under welfare assistance. To a great extent these are barred by the statute of limitations. There has been filed for the town, a counter claim in set-off \$2,389.32.

Pending—Claim by Real Estate and Building Association for damages—Gould Street widening.

Disposed of—One petition for damages for street relocation (Gould Street). Finding by Auditor, whose findings are to be final, for petitioner for \$17.00.

One tax title foreclosure tried in Land Court. Finding for Town. In the so-called Muccio Case Action of Contract v. Town for \$1,770.17, originally brought in tort, a demurrer was filed on behalf of the Town, setting up in effect that it was beyond the lawful authority of the Legislature to authorize and beyond the lawful authority of the Town to vote payment which in effect was a gift to a private person. Judge Brooks heard the case, received briefs from both attorneys, and sustained the demurrer. Two small claims for damages for street corner roundings were settled for \$25.00 and \$17.00, respectively.

B. & M. Railroad Equity Case, relating to Greenwood culvert, dismissed by agreement.

Margaret T. Curley v. Town Highway Defect Case, settled for \$175.00.

Boynton et al v. Selectmen, re Spring Street. Bill in Equity dismissed.

Three petitions for damages from street widenings and sewer assessments dismissed at call of list without trial.

The Town has one action pending for relief, paid to Malden Hospital, on Wakefield settlement case.

Besides attending the Selectmen's weekly meetings, I have been present at many other officials' meetings and have attended and given advice to the Retirement Board and have acted on a Central Committee at the State House with auditors and town and city legal advisers on retirement law problems.

Eight tax titles were filed in the Land Court for foreclosure. See Treasurer's Report for titles held by Town.

Respectfully submitted,

MAYNARD E. S. CLEMONS.

Town Counsel

Report of Animal Inspector

Wakefield, Mass., January 10, 1938.

To the Honorable Board of Selectmen:

Gentlemen:

At this time I wish to submit my report as Animal Inspector for the year ending December 31, 1937.

There have been 183 heads of cattle and 21 cow barns inspected.

There have been 55 dogs placed in quarantine.

Respectfully submitted,

GEORGE A. BENNETT,
Animal Inspector.

Report of Dog Officer

Wakefield, Mass., January 10, 1938.

To the Honorable Board of Selectmen:

Gentlemen:

At this time I wish to submit my report as Dog Officer for the year ending December 31, 1937.

I have answered 217 calls, and have canvassed the town four times for unlicensed dogs.

There have been 42 dogs returned to their rightful owners, 31 dogs gassed and 38 dogs sent to the Animal Rescue League.

Respectfully submitted,

GEORGE A. BENNETT,
Dog Officer.

Report of Contributory Retirement Board

To the Honorable Board of Selectmen,
Wakefield, Massachusetts.

Gentlemen:

Pursuant to acceptance by the Town of Chapter 318, of the Acts of 1936, covering Contributory Retirement Systems, the Board of Selectmen appointed the following as members of the Retirement Board: James M. Henderson, for a term of three years; Charles C. Cox, for a term of two years; and Leonard H. DeMarco, for a term of one year.

The Retirement Board organized on July 1, 1937, by the election of Leonard H. DeMarco as chairman, and Charles C. Cox as secretary. Up to the end of 1937, the Board has met on an average of once a week. There were approximately two hundred and fifty (250) employees eligible to enter the Retirement System, of whom twenty-eight (28) employees had previously elected to be placed under the Veterans' Retirement Act. As of December 31, 1937, the membership in the system numbers one hundred and fifty-nine (159), and of this number there have been retired: Police Department, one; Water and Sewer Department, four; Light and Gas Department, two; School Department, two; Assessors, one; or a total of ten. There are at present six applications for retirement pending. In addition, there are eleven employees who are over seventy years of age, who were granted permission to continue in the service for a period not to exceed two years from July 1, 1937, and are eligible for retirement at any time during 1938, the maximum cost of which will be approximately \$3,800.00.

Up to the close of the year, there has been paid out in pensions, to retired members, the sum of \$2,034.24. At the present time, the total amount of monthly pension payments is \$562.18. The total amount of contributions from members, deducted from payrolls, as of December 31, 1937, is \$4,985.76, and a like amount to be appropriated by the town, together with three per cent interest, guaranteed under the law.

There is presented below a Cash Statement up to December 31, 1937.

Receipts

Appropriated by the Town for payment of pensions	\$ 4,500.00	
Appropriated by the Town for expense Ret. Board	500.00	
Transferred from Reserve, expense Ret. Board	400.00	
		\$ 5,400.00
From members' contributions		4,985.76
Total		\$ 10,385.76

Payments

For pensions to retired members		\$ 2,034.91	
For expense of Retirement Board			
Clerical Assistance	\$ 464.70		
Filing Cabinet	30.00		
Accounting Books, Card System	123.38		
Office Supplies, Stationery, Printing, etc.	64.14		
		\$ 682.22	
			\$ 2,717.13
Balance			\$ 7,668.63

The above balance is made up of the following

Funds:

Annuity Savings	\$ 4,963.88
Annuity Reserve	21.21
Pension Accumulation	2,465.76
Expense	217.78
	\$ 7,668.63

Respectfully submitted,

LEONARD H. DeMARCO, Chairman,
 JAMES M. HENDERSON,
 CHARLES C. COX, Secretary,
 Contributory Retirement Board

Report of W. P. A. Agent and Co-ordinator For the Year 1937

To the Honorable Board of Selectmen,

Gentlemen:

The following report on WPA activities during the year ending December 31, 1937, is hereby submitted:

The type of work this year has changed materially from that of previous years. Less work on playground and drainage development has been done and more of a construction nature. The remodeling of the old Lafayette School Building and the construction of a new Pumping Station to serve the town's needs at the wells, the town's auxiliary water supply, have been a departure from previous procedure. Also an extensive program of street building has been begun. As a result the percentage of expense to the town has been materially increased, amounting to 23% as compared with 17% previously. This year \$60,465.37 of the town's money was expended along with \$199,365.78 of Federal Funds, as compared with \$54,922.67 of town money and \$267,087.74 of Federal Funds in 1936.

Taking into consideration the total Government payroll for Wakefield persons working in Wakefield and elsewhere, which equalled \$231,315.78, and adding the town contribution of \$60,465.37, the total amounts to \$291,781.15, with the town's share of the expense 20½%.

Since May, 1937, the WPA authorities in Boston have assumed the assignment of all persons and recommendations of this office have been declined. As a result many assignments have been made where a partially disabled or unqualified person has been assigned to a project requiring good physical condition or the knowledge of some trade for its proper prosecution. As a direct result the previous efficiency and morale of workers have been seriously affected and most of the projects have not been finished when the Federal Funds were exhausted.

In May the quota of 315 workers was cut to 220 and soon after, all aliens were dropped from the lists. The Sewing and White Collar Projects ran out of Federal Funds and the workers were dropped. As a result of the foregoing decreases, there were only about 135 persons working on July 15. The Sewing Project for 17 persons was reinstituted but a total of 10 persons were all that was allowed. Persistent requests for increases made by the Board of Selectmen to the WPA gradually brought increases in the number of workers so that at the end of the year 193 persons were at work.

The second principal difficulty in getting satisfactory production has been the limited number of hours of work. Many classes of mechanics work only 12 to 15 hours a week, and when they return on the following

week they usually do not work on the construction they previously left as it is necessary to run two shifts on projects to prevent the dragging out over too long a period, with the attendant disturbance of conditions and possible hazards to the public.

No serious accident has occurred this year and the minor injuries have been very few. To each Project is assigned a First Aid Man who has passed the First Aid Course, and all injuries are immediately given attention.

The Transient Camp at Camp Curtis Guild was discontinued this year and many of the men took up residence in Wakefield, adding to the number on the Wakefield list of eligible workers.

Due to the remodeling of the old Lafayette School, the Sewing Project and Commodities Distribution Center were shifted to the Hamilton School.

The National Youth Administration group of girls assisting in the WPA Office was dropped in June. Two N. Y. A. girls are employed at the Library.

The WPA authorities still operate the Nursery School at the Franklin School with two teachers assigned.

At least a score of Wakefield persons have been employed by WPA during the year, out of town, exclusive of those assigned to State Beautification work.

At the close of the year of 1937 there were over 300 people eligible for WPA assignment.

Appended is a schedule which details the expenditures on the various projects carried on this past year.

I wish to thank the various Boards of the Town and the Superintendents of the different departments for their willing and earnest co-operation and also to especially thank Mrs. Vera North for her loyalty and effort as Secretary of the local WPA Office. Her knowledge of requirements, sympathy for the WPA workers and untiring zeal have won the commendation and praise of WPA officials.

Respectfully submitted,

J. T. WHITNEY,
WPA Sponsor's Agent and Co-ordinator.

ARTHUR C. VERGE, Secretary

Report of Board of Health

To the Citizens of Wakefield:

It seems fitting to continue a four-year comparison of infectious and reportable diseases to present a picture of the health conditions for the four-year periods.

	1934	1935	1936	1937
Tuberculosis	9	16	7	16
Diphtheria	5	0	0	0
Pneumonia	9	9	11	18
Poliomyelitis	1	4	0	1
Measles	89	5	32	434
Mumps	8	2	34	33
Chicken Pox	14	34	5	10
Septic Sore Throat	0	1	0	3
Scarlet Fever	10	3	21	45
Typhoid Fever	0	1	0	(8) Paratyphoid
Dog Bites	26	71	55	42

The Board of Health feels that interesting and enlightening information for the townspeople is presented in the following list of diseases legally reportable in Massachusetts.

Actinomycosis	Measles
Anterior Poliomyelitis	Meningitis
Anthrax	a. Meningococcus
Asiatic Cholera	b. Pfeiffer Bacillus
Chicken Pox	Mumps
Cholecystitis of Typhoid Origin	Paratyphoid Fever A
Diphtheria	Paratyphoid Fever B
Dog Bite	Pellagra
Dysentery	Plague
a. Amebic	Rabies
b. Bacillary	Scarlet Fever
Encephalitis Lethargica	Septic Sore Throat
German Measles	Small Pox
Glanders	Tetanus
Hookworm Disease	Trichinosis
Infectious Disease of the Eye:	Tuberculosis (all forms)
a. Ophthalmia Neonatorum	Typhoid Fever
b. Suppurative Conjunctivitis	Typhus Fever
c. Trachoma	Undulant Fever
Leprosy	Whooping Cough
Lobar Pneumonia	Yellow Fever
Malaria	

The Health Nurse, Miss Russell, has made the following visits to homes in connection with the above-named infectious and reportable diseases.

Tuberculosis — including contacts	652
Scarlet Fever	102
Measles	410
Whooping Cough	3
Mumps	10
Dog Bites	5
Venereal	8

Miss Russell has, during the year 1937, made the following hospital visits in connection with the needs of Wakefield patients, either being hospitalized or in connection with their admittance to various T B Sanatoriums:

- 2 trips to Essex County Sanatorium, Middleton, Mass.
- 9 trips to Middlesex County Sanatorium, Waltham, Mass.
- 28 trips to North Reading State Sanatorium, North Reading, Mass.
- 1 trip to Rutland State Sanatorium, Rutland, Mass.
- 2 trips to Newton Hospital, Newtonville, Mass.
- 1 trip to Lakeville State Sanatorium, Middleboro, Mass.
- 2 trips to Melrose Hospital, Melrose, Mass.
- 1 trip to Tresian Private Hospital, Waltham, Mass.

It seems wise to continue the comparison of cost of these reportable diseases.

	1934	1935	1936	1937
Tuberculosis	\$2,250.89	\$2,198.67	\$3,336.65	\$6,598.93
Scarlet Fever	104.62	189.00	413.00	1,039.00
Other Contagion	189.30	479.29	551.67	668.70

As heretofore under heading of other contagion is carried the expenses arising from dog bites, anti-rabic clinic, anti-rabic treatment of humans, if any; typhoid fever, or other forms of reportable diseases. In the future, under a recent state regulation, anti-rabic treatment of humans will be reimbursed by the county, only when the dog which has bitten the human is licensed. Any treatment caused by an unlicensed dog must be paid for by the town.

From this condition it appears that extra care must be taken to see that all dogs are licensed at once on the date when such licenses are payable.

The Board of Health will continue its anti-rabic clinic for dogs and ask all dog owners to present their dogs for immunization.

The amount of T. B. subsidy payable to Wakefield by the state for 1937 will be \$1,773.57.

For the third year successively there has not been a single case of diphtheria. This record gives added force to the belief in the value of diphtheria immunization. This work, as in the past, is done by Dr. Charles E. Montague, school physician.

At the present time, January 1, 1938, Wakefield has patients as follows

at T B hospitals: Eight at Middlesex County Sanatorium, Waltham, Mass.; two at Lakeville State Sanatorium, Middleboro, Mass.; one at North Reading State Sanatorium, North Reading, Mass. This compares with two—one and one, respectively, a year ago.

The Board of Health, acting under Section 128, Chapter 94, with the approval of the State Department of Public Health, appointed Dr. Cornelius Thibeault as Inspector of Slaughtering. No slaughtering was done in Wakefield for the year 1937.

The Board of Health again stresses the wish that all refuse which gathers around the house be taken to one of the three dumps, which have the care of the Board—Salem Street, Aborn Avenue, or Green Street.

This Board has made arrangements for opening a dump on North Avenue, notices of which will be made public later.

May we hope for full co-operation of the townspeople in the care of refuse to the end that the whole town may be clean, and its approaches attractive.

WESLEY S. GOODWIN, Chairman
CARL E. ALLISON, M. D.
NED C. LOUD, Secretary

Tuberculosis Dispensary Report

The annual report of the Tuberculosis Dispensary is herewith respectfully submitted.

The Dispensary is open the first and third evenings in the month from 8 to 9 and the second and fourth Tuesday afternoons from 3.30 to 4.30.

We have examined at the dispensary during the year patients discharged from sanatoriums, contact cases, suspicious cases of tuberculosis, and a number of underweight children. Eighty-one examinations were made.

A great many cases examined at the Dispensary are sent to North Reading State Sanatorium for further chest examination, X-rays and Von Pirquet tests. Miss Russell makes the appointments and arranges for transportation, if the patients are unable to provide transportation. Seventy patients were examined at North Reading Sanatorium this year, ten at Middlesex County Sanatorium, and several at the Massachusetts General Hospital. We have several patients who are taking Pneumothorax treatment at the Middlesex Sanatorium — two having treatment every two weeks, one every four weeks. One patient had to have Alpine Lamp treatment for tubercular glands. This treatment was given at the

Massachusetts General Hospital. Transportation was provided by the Health Department.

We have at the present time eight patients at the Middlesex County Sanatorium, two at Lakeville State Sanatorium, one at North Reading State Sanatorium.

Respectfully submitted,

IRA W. RICHARDSON, M. D.,

Dispensary Physician.

NELLIE B. RUSSELL, R. N.

Dispensary Nurse.

Report of Health Officer

To the Board of Health.

Gentlemen:

I herewith submit my report as Health Officer for the year ending December 31, 1937.

I have been in daily attendance at the office throughout the year and find the work has increased somewhat from that of preceding years in that general complaints have become more numerous. Overflowing cess-pools and unsanitary accumulation of rubbish, in congested areas, have been the cause of many complaints.

The latter presents a problem to which the town will have to give serious and constructive consideration in the near future.

Garbage complaints, in many instances, have not been justified because of unsatisfactory containers which cannot be readily handled by the collectors. In this respect, I would recommend an underground container, if possible; otherwise the installation of a uniform receptacle with a cover which cannot be removed by dogs or other animals.

It will be noted that fewer permits have been issued this year for the keeping of swine, a practice that in time should be regulated by the Board to meet the present day trend toward a residential community.

Much time has been spent, out of office hours, this year, in posting contagious disease warning cards, as well as in the general supervision of the three town dumps.

Eight hundred thirty-nine inspections and adjustments have been handled through this office in the past year and all with gratifying results.

Respectfully submitted,

DAVID TAGGART,

Health Officer.

Report of Plumbing Inspector

To the Wakefield Board of Health:

I herewith submit my report for the year ending December 31, 1937.

Number of permits granted	90
Number of fixtures installed	423
Divided as follows:	
Lavatories	71
Bath tubs	48
Closets	90
Sinks	75
Wash Trays	81
Boilers	47
Showers	9
Fountains	2
Total	423

I have made 233 inspections during the year.

Respectfully submitted,

DAVID TAGGART,

Inspector of Plumbing.

Report of the Inspector of Milk and Food

To the Board of Health.

Gentlemen:

Herewith is submitted my report as Inspector of Milk and Food for the year ending December 31, 1937.

The work of this bureau during the year just past may be divided into two separate branches: namely, office work and field work.

The office work for this period consisted of the issuing of all licenses and permits pertaining to milk sales, milk processing, ice cream manufacturing and oleomargarine sales. Also coming under this branch is the notification and recording of analytical tests, the keeping of all other office records and carrying on of a general correspondence that arises in relation to this work.

There has been issued from this office during the year a total of 155 licenses and permits, as well as approximately 200 other pieces of

correspondence. Office work of this nature was engaged in, on approximately three days of each week.

The field work consisted of dairy farm inspections, milk plant inspections and the collection of milk samples for analyses.

The work of food inspection during the year, which also comes under this branch, consisted chiefly of observations, check-ups for regulation infractions and answering complaints.

There has been an approximate total of 84 visits made to dairy farms and milk processing plants, comprising both local and out-of-town calls. There were also 168 samples of milk collected for testing and 100 visits made on food inspection work.

Three conventions were attended for educational and instructive purposes. (Expense borne by me.)

Automobile transportation consumed approximately 3000 miles, an expense also borne by me.

In concluding I wish to say that the work of the past year has effected excellent results, as the records in the office show the milk sold throughout the year 1937 to be of the finest quality ever sold in this town.

A comparison of the records of ten years ago will show that the work has doubled in that time.

The total office receipts for the year amounted to \$111.50.

Respectfully submitted,

LAURENCE E. DOUCETT,

Inspector of Milk and Food.

Report of Board of Public Welfare

To the Citizens of Wakefield:

In view of the substantial reduction in welfare expenses during the past year the citizens may be under the impression that there is a vast improvement in the welfare situation in this Town, but the heavy demand which has arisen during the past two months show that such is not the case, and the welfare expenditures for 1938 will show a substantial increase in the amount to be expended.

The amount of vegetables consumed at the Infirmary and raised on the Infirmary property amounted to \$238.34.

In Memoriam

Mrs. Melvin W. Brown was appointed Matron of the Town Infirmary April 1, 1919. Her many years of patient, faithful and conscientious work endeared her, not only to the patients, but to all those who came in contact with her, both within and without the Infirmary. On May 29, after about two months' illness, she passed away at the Infirmary, which she called home. Wakefield is glad to have had the services of Mrs. Brown for so many years.

We wish to express our appreciation to all private individuals and organizations who made donations of any kind during the past years.

Report of School Committee

ORGANIZATION OF SCHOOL COMMITTEE

School Committee for 1937

Harry B. Allman, Chairman 43 Greenwood Street	Term Expires 1939
Mrs. Eva Gowing Ripley, Secretary 40 Emerson Street	Term Expires 1940
Thomas F. Kenney, Treasurer 12 Charles Street	Term Expires 1938
*William E. Jones 29 Lafayette Street	Term Expires 1938
Mrs. Mary Louise Tredinnick 129 Pleasant Street	Term Expires 1939
Patrick H. Tenney 14 Emerson Street	Term Expires 1939

SUB-COMMITTEES

The Committee as a whole acts as sub-committees with the following chairmen:

Mrs. Tredinnick—Text Books and Supplies
Mrs. Ripley—Teachers and Salaries
Mr. Tenney—Finances and Accounts
Mr. Jones—Courses of Study
Mr. Kenney—Public Property

SUPERINTENDENT OF SCHOOLS

Willard B. Atwell, 94 West Chestnut Street

SECRETARY TO THE SUPERINTENDENT

Pauline E. Meads, 240 Lowell Street

CLERK

Doris Skinner, 9 Franklin Street

* Elected for the unexpired term of Gardner E. Campbell.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of the Town of Wakefield:

Herewith is submitted the annual report of the School Committee for the year of 1937.

Among the important actions of the Committee were:

Added a course in German as an additional elective in foreign language to fulfill the College Board requirements for Scientific Schools.

Provided bus tickets for those pupils who are entitled to transportation, instead of reimbursing the parent for fares paid.

Voted to try intra-mural baseball and to shorten the season for the varsity nine.

Voted, with the consent of the Board of Selectmen, to sell such old furniture in the Lafayette Building as was not usable for school purposes.

Granted the use of Walton Field to the Recreation Commission.

Established a new school district composed of the Lincoln and Montrose districts, making three districts in the Town.

Established a policy of requiring at least one year of experience of all candidates for high school positions.

Re-established the Simon-Binet Tests for children under the required school age for admission to the first grade for 1937.

Established the tuition rates for 1937-1938:

High School	\$98.60	Elementary	\$70.30
-------------	---------	------------	---------

Appointed Mr. Joseph H. Fanck as director of the orchestras in the High School.

Appointed Miss Edna Parks as director of the Girls' Glee Clubs in the High School.

Changes in the personnel for the year may be found in Appendix H.

FINANCIAL SUMMARY

Total Cost

Net Cost of Schools for Maintenance and Operation

Expenditures for 1937	\$263,995.01
-----------------------	--------------

Receipts through the School Department	40,004.11
--	-----------

Net Cost to the Town through local taxation	\$223,990.90
---	--------------

Per Pupil Cost

Cost per pupil for instruction and maintenance, based on average membership for the school year, 1936-1937:

High School, exclusive of general control	\$ 99.28
---	----------

Elementary Schools, exclusive of general control	70.69
All public schools, from all sources	80.84
Cost per pupil including ordinary repairs, in State	99.00

Details of finances may be found in Appendices D and E.

CARE OF PROPERTY

The Committee made an inspection of each building in June and determined upon the major repairs which should be done during the summer.

The amount spent for the maintenance of grounds and buildings has been rather large for the past three years. The buildings are getting older and the cost of maintaining them will continue to be high. Prices for materials are also higher than they were a few years ago.

Below is given the value of the various buildings and sites as recorded by the Board of Assessors:

Building	Date	Assessors' Value		Estimate Value
		Building	Site	of Contents
High	1923	\$425,000.00	\$ 25,000.00	\$ 78,915.52
Greenwood	1897	225,000.00	7,700.00	13,876.28
Additions	1902			
	1924			
Franklin	1902	225,000.00	4,275.00	9,592.67
Addition	1925			
Woodville	1920	85,725.00	1,000.00	4,722.67
Lincoln	1892	110,525.00	13,525.00	12,451.25
Warren	1897	94,550.00	4,720.00	6,084.15
Hurd	1899	40,000.00	2,950.00	3,878.02
West Ward	1847	5,000.00	2,600.00	1,610.55
Montrose	1930	150,775.00	3,000.00	6,318.17
Hamilton	1883	45,000.00	4,500.00	150.00
		\$1,406,575.00	\$ 69,270.00	\$137,599.28

Total value of the School Plant—\$1,613,444.28.

HIGH SCHOOL

The enrollment for the High School at the beginning of the year was:

	Boys	Girls	Total
Post Graduates	12	17	29
Seniors	120	137	257
Juniors	128	139	267
Sophomores A. M.	85	91	176
	—	—	—
	345	384	729
Sophomores P. M.	29	75	104

Freshmen	169	141	310
	—	—	—
	198	216	414
Total	543	600	1143

This gives an enrollment for the high school of 1,143 pupils, a decrease of ninety pupils over last year.

The following courses are offered in the High School:

College Preparatory, preparing for admission to college; **Scientific**, preparing for admission to a scientific or technical school; **English**, a general educational course; **Commercial**, preparing for work in offices or in business; **Industrial Arts**, for students who by natural inclination are more interested in work with their hands; **High School Preparatory**, for certain pupils who will probably need five years to do the work required for graduation—domestic science for girls and woodworking for boys are electives in this course.

A certificate from the High School is accepted by any college which admits students by certification. The High School is approved in Class A High Schools, which is the highest rating given by the State Department of Education and means that a certificate from the Wakefield High School is accepted for admission to any of the state colleges.

Assemblies are held frequently in the High School with varied types of programs, including patriotic, educational and musical.

The circulation in the Charles H. Howe Library shows a 57% increase over the previous school year.

At the present time, about 325 boys and girls are receiving musical instruction in the High School in the glee clubs, bands and orchestra. There are 125 pupils in the Senior and Junior bands and 30 pupils in the orchestra.

At present, there are about 140 girls in the Senior and Junior Girls' Glee Clubs and 70 in the Boys' Glee Clubs. The Boys' Glee Clubs rehearse in the Y. M. C. A. building as there is no room for them in the High School. The girls rehearse in the Auditorium in the afternoon and forenoon at the same time that the gymnasium classes are held in the gymnasium. This arrangement is very unsatisfactory, but there is no other place for rehearsals. Under these adverse conditions, the Girls' Glee Clubs do very satisfactory work.

In sports, the High School has had a successful year. The record of the football team was the best for years. In baseball, an experiment was tried in having intra-mural as well as inter-school baseball. Under this plan there were 157 boys playing baseball instead of less than 30.

The number in the different sports is:

Boys: Football 87, Cross Country 30, Basketball 270, Baseball 157, Track 47, Soccer 22, Hockey 16.

Girls: Field Hockey 70, Riding 23, Bowling 160, Swimming 20, Track 50, Archery 162, Tennis 80, Basketball 230, Baseball 56, Tennis Tournaments: Advanced (Fall) 52, Advanced (Spring) 35, Beginners 45.

ELEMENTARY SCHOOLS

The registration in the various elementary schools, as of December 31, 1937, is as follows:

Franklin	360	Montrose	202
Greenwood	493	Warren	257
Hurd	109	Woodville	121
Lincoln	385	West Ward	72

A year ago last September, all eighth grade pupils were transferred from the High School to the districts in which they lived. As far as possible, the work in the seventh and eighth grades has been put on a departmental basis, that is, if a teacher has specialized in Geography or History, for example, and enjoys instructing in her specialty, she is assigned to teach that subject in as many grades as possible in the building in which she is serving. This arrangement gives to the pupil expert teaching in his several fields. The teachers have worked conscientiously under the changed conditions.

"The work in character training has been continued. Each teacher takes charge of one assembly program. Work on safety, health and citizenship is carried on as incidental teaching without interfering with the regular school work."

A Parent-Teacher Association purchased a radio for one of the schools last spring. It is being used to listen to the worthwhile programs which are being put on by the "School of the Air" notably those in music appreciation by Walter Damrosch. Radios brought in by several pupils in various schools enabled the upper grades to hear the broadcast of the coronation of King George VI.

Last spring there were several successful speaking contests and musicales.

The teachers of physical and health education encourage all children to form proper habits of exercise and health habits which will make for a strong, healthy body and a keen and alert mind which will help them to realize the highest physical, mental and social possibilities.

"The instructor visits each room once in two weeks, the lessons are graded beginning with the sitting and standing positions, marching, singing-games, stunts and team games to practice safety and co-operation along with sportsmanship and leadership. Talks on safety, care of the teeth, the value of good posture, cleanliness, first aid, proper clothing, home and schoolroom hygiene are given.

"After-school activities include team games for girls and individual activities together with grammar school leagues for the boys, starting with tag football in the fall, grammar school basketball in the winter and finishing the year with baseball and track in the spring.

"Cups for the champions in the various boys' sports are donated by the Wakefield Daily Item, the Hi-Y Club and the Wakefield Elks."

HEALTH

The following paragraphs are taken from the report of the School Physician:

"There have been no serious epidemics among the pupils during the year. Measles were rather prevalent, as they are each five or six years. There was no case of diphtheria. The absence of diphtheria for several years has tended to lull the parents to the need of eternal vigilance. In other words, not quite as many parents are consenting to have their children immunized as when diphtheria was a constant menace. One hundred and seventy-six pupils immunized last year were "Schicked" and nine were found still susceptible. These were re-immunized. One hundred and forty-four were immunized using their doses of 'toxoid', three weeks between doses.

"Physicians from the North Reading Sanatorium conducted the testing for tuberculosis with X-ray of all reacting to the skin test and physical examination of pupils with suspicious or definite X-rays. No active case of tuberculosis was discovered. In addition to this, several suspicious cases discovered in routine examination, and contacts of discovered tuberculosis in the family, have been taken to North Reading.

"The first grade, fifth grade and first year high pupils have been given physical examinations, stripped to the waist, and the results recorded on the health cards furnished by the State. Deviations from normal have been reported to the parents on notices furnished by the State. Such a notice does not necessarily mean actual disease but that the condition is so suggestive that the family physician should be consulted. As a result of examination, the following notices were sent home—teeth needing dental care 150, disease of the nose, throat and tonsils 144, organic heart disease 8, infections of eyes and eyelids 5, infectious skin diseases 7, and various minor needs of attention to person or clothing.

"The teeth and throats of all other pupils have been examined. It is noticeable that in the High School, the girls' teeth are much better cared for than are the boys'. This is not true in the grades. There has been considerable improvement in the care of teeth, but there is still much neglect."

The following gives an account of the work of the School Nurse outside of the regular routine work in the schools.

Attended: First Aid cases, 52; boys injured in manual training, 4; slight burns in chemistry, 5; children taken to North Reading Sanatorium for X-rays, 15; children taken to Middlesex County Sanatorium for examinations, 4; home visits, investigating and follow up work, 435.

MUSIC

The following paragraphs are from the report of the Music Supervisor:

"The music program continues to expand. The short chorus period provided in the morning session of the High School made it possible to

give a concert at Christmas in addition to the annual concert during Music Week. The latter event featured the tenth anniversary of Mr. Arthur A. Fulton's directorship of the Boys' Glee Club. Junior glee clubs for both girls and boys of the afternoon session have been formed and these united with the senior clubs, make a chorus of more than two hundred voices.

"A junior orchestra organized last spring is progressing well.

"Piano and violin classes are held after the regular school sessions in the following buildings: High, Lincoln, Montrose and Greenwood. There are eighty-four pupils studying the piano and thirty-four studying the violin. These classes are conducted at no expense to the Town.

"Music in the seventh and eighth grades has for the most part been placed in the hands of one teacher in each building. Choirs have been formed and several of these have given an excellent account of their work in public performances in their respective buildings. Moreover, the result of the training of these departmental teachers is evidenced in the quality of the singing in the junior glee clubs of the high school.

"Not so obvious, but fully as important is the good work being done by the elementary grade teachers. Many report that incoming classes are better prepared in music. Quality of tone is improving on the whole as well as the ability to read the printed score. So-called 'monotones' are noticeably decreasing. The great need at present is for victrola records to continue the rhythmic activities and develop intelligent listening. The concert by the grades in June was given in collaboration with the Supervisor of Drawing, whose work contributed much to the success of 'The Picture Book Festival'.

"There is continued evidence of community co-operation. Individuals have given pianos and other pieces of equipment. Members from several local choral organizations united with the glee clubs in their recent Christmas concert."

ATTENDANCE

Detailed information on attendance may be found in Appendices A and B.

The Attendance Officer reports that he has investigated the following cases and has taken care of the same:

Sickness	112
Truancy	77
Tardy	18
Lack of clothes, shoes or food	32
Kept out by parents or guardian	19
Home employment permits	6
Collected school books and property from	30
Left school to go to work	45
General disobedience	26
Investigated excuses	19
Investigated and found them moved	13

Found in homes and taken to school	5
Found on street and taken to school	3
Found on street and taken home	4
Taken to court	1
Placed on probation	1
Taken to Chelmsford	0
Girls taken home ill	4
Boys taken home ill	3
Left school	10
Misdemeanor on school grounds	5
Holding warrants for good behavior	7
Suspensions	14
Notified by court	2
Teachers taken home ill	2

RETIREMENTS

During the year, two teachers retired from active service, Miss Alice J. Kernan and Mrs. Myrta Knight.

Miss Kernan was elected in 1890 and has served continuously since then. It is interesting to note that Miss Kernan taught the same grade and in the same room in the Warren School from the time it was built up to the time of her retirement. Miss Kernan gave unstintingly of her time and energy and is beloved by all who have passed through her classes.

Mrs. Myrta Knight retired in June after serving since 1910 except for a few months. The first part of her service was as a permanent substitute, and as such, she came into contact with the pupils of the various schools who recognized the benefits of her instruction. Later when she was assigned to a regular teaching position, she became a firm friend and a helpful guide to all of the pupils in the building.

A pension system for town employees became operative on July 1. Two janitors, Mr. Charles Stevens and Mr. Eugene Lenner, retired in September under the provisions of the Retirement Act. Both had rendered excellent service including a wholesome influence in their contact with the pupils.

COMMENT

The total number of pupils in the Wakefield schools declined by 116 last year, but as yet the present tendency toward decreased school population cannot result in any large savings to the Town. It has enabled the Committee to close two classrooms and save the salary of two teachers, but increased cost of school supplies and higher maintenance costs have more than offset this saving.

From an educational standpoint, the outstanding problem in Wakefield's schools is the two-platoon system in the High School. It not only affects the regular study program, but also all extra-curricula activities. For instance, all band and orchestra rehearsing has to be done after the afternoon session or in the evening.

Under the present system, the working day for the pupils is far too short. A very large number are in school only four hours a day, and so practically all of their lessons must be studied at home. Under a one-session plan, all pupils were in school six hours a day, yet we endeavor to accomplish as much now as we did years ago. It simply cannot be done.

In spite of these handicaps the Committee is carrying on, and the students are being given the best possible training.

HARRY B. ALLMAN, Chairman.

MRS. EVA GOWING RIPLEY, Secretary.

THOMAS F. KENNEY, Treasurer.

MRS. MARY LOUISE TREDINNICK

FAREWELL

We salute you, Alma Mater!
And we bid you fond adieu
For the time has come upon us
To express our love for you.

We must leave your friendly portals
And forsake your guiding hand,
As we face Life's problems bravely
In an everchanging land.

We behold the shadows falling
Over days we loved so well;
Yet the beauty of their passing
In our hearts will ever dwell.

And although we must not tarry,
Still a backward glance we cast
At our dear one, Alma Mater,
Sweetest mem'ry of the past.

Words by Lawrence Joseph Burns, '37

Music by Dean M. Woodhull, '37

Report of Middlesex County Extension Service

FOR 1937

The following is a report of the work of the Middlesex County Extension Service in the Town of Wakefield, during 1937, which is carried on as an aid to agriculture and is represented in Wakefield by Mrs. Emily G. Climo.

In agriculture, all of the service rendered in Wakefield during the year has been to assist individual farmers upon request. This has been largely to dairy and poultry farmers. Assistance was given in the control of poultry diseases and management; and to the dairymen, pasture improvement and rotation. Molasses hay silage was tried at the Beebe Farm, and satisfactory results are reported.

A group took the project on Garment Finishes and a large number of women attended the Grain Products demonstration and Music and Folk Dancing program which were given at the Wakefield Grange. Several home visits were made and information of interest to homemakers sent out to those on the mailing list through Mother Service letters.

Two groups in Greenwood took the Coat Project in the past year. A number of home visits were made and information of interest to homemakers was sent to those on the mailing list throughout the year.

Wakefield again held the record for having the largest number of organized 4-H Clubs in the county. The clubs numbered twenty-nine, with an enrollment of 146 girls and 35 boys. Projects included clothing, food, home furnishing, craft, handicraft, conservation and garden.

Mrs. John Climo was town chairman. Members of the committee were: Mrs. Esther Oliver, Mrs. Frances Hastings and Wayland Glass. Local leaders were: Mrs. Walter Jones, Miss Helen Carrick, Miss Evelyn Johnson, Miss Doris Walsh, Miss Myrtle Arnold, Mrs. John Climo, Miss Emily Climo, Mrs. David Miller, Miss Alice Gallugi, Mrs. F. B. Colson, Miss Jennie Evangelista, Mrs. F. Morton Lee, Mrs. Catherine Mansfield, Miss Catherine Titus, Mrs. R. G. Girade, Paul Krubel, Edward Lobacz and Mrs. E. M. Bird.

A 4-H officers' training school was held at the Greenwood School. There was a well-attended mid-winter 4-H rally at the Y. M. C. A. in January. The "Y" has been very generous in granting the use of rooms for meeting places to 4-H groups. The spring exhibit was an especially fine one, with twenty-six clubs exhibiting in the high school gymnasium. The clubs furnished an excellent program of music, skits, and demonstrations.

The Wakefield Grange enjoyed a 4-H night in September with exhibits and a special program in charge of Mrs. Frances Hastings.

The following attended Camp Middlesex in Amherst: Bertha Climo, Ethelyn Ramsdell, Barbara Reid, Ruth Reynolds, Octavia Zwicker, and Ellen Jane Leonard. Doris Climo and Emily Climo attended State Camp, and Mrs. John Climo attended leaders' camp at the Massachusetts State College.

A two-day trip was awarded to seven club members for excellence in their club records. The winners were Arline Sullivan, Norma Boyce, Catherine Titus, Anna Nikitin, Evelyn Thompson, Wilfred LeBlanc, Gaetano Falabella, and Robert Gerarde.

* Resigned

The Trustees of the Lucius Beebe Memorial Library herewith submit the eighty-second annual report for the year 1937:

"To be great and to remain free, Americans must be educated. Books are the universal medium of education—whether in school or outside—books to find the facts behind the news reel or broadcast, books to fit us for a job, to help find it, or to keep us sane through unemployment, books to explain the economic picture and the world changing before our eyes, books for our children, books to enjoy."

If the above quotation is true, and it would be difficult to refute it, the need of an active and efficient library in every community is evident. That Wakefield is able to do its part in this book education is due to a happy combination of town appropriation and the interest from book funds, the gifts of generous friends. During 1937 from town appropriation \$835.36 was spent for new books, and from the interest of trust funds \$3,675.44. An increased appropriation from the town is highly desirable but since there is an ever-increasing need for books, the Library stock-in-trade, it would be a fortunate happening indeed if some other library friends would create funds, the income of which might be used for the purchase of books on either special subjects or those of general interest.

It is illuminating to follow briefly the travels of a library book. For instance when a recent popular book of fiction was ready for the bindery, it had been out forty-two times. It went into circulation in May, 1937, and was withdrawn to go to the bindery just at the close of the year. Meanwhile this book had been into forty-two homes so that at least that number had read it. For all these people to have read the book without the service of the public library, would have meant an outlay of forty-two times its purchase price. Now it will be rebound and continue to circulate, giving pleasure to still more patrons.

Sometimes a reprint book can be bought at a cost not exceeding that of rebinding. For example, a reprint book went into circulation in July, 1937, and was withdrawn at the close of the year after having been out twenty-four times. The book cost fifty-five cents, so at least twenty-four persons read it at a cost of \$.0202 per person. Of course, a reprint does not have the demand of a new "seven-day" book but even so, it travels widely.

The work of binding and labeling the musical scores given to the Library by the Wakefield Choral Society in 1936, and undertaken as a WPA project, was finished in July, 1937. There is now a collection of over 13,500 musical scores of songs, cantatas, and selections from oratorios, making an outstanding and valuable addition to the musical resources of the Library. Through the thoughtful generosity of the Wakefield Choral Society all this material is not only for its own members but, in addition, is available for loan to all Wakefield residents. The interest

and industry of those members of the WPA engaged in this work is worthy of commendation.

The Library has received a very unusual gift from Mrs. Gustave Keander in memory of her husband, the late Gustave Keander. Mr. Keander was a well known wood carver and maker of artistic frames of fine woods for paintings and etchings. Through his work he became acquainted with the masterpieces of both European and American artists, and accumulated a large number of Medici prints of the famous canvases in European Galleries; these are considered to be the best prints in colors that are made. The collection given by Mrs. Keander comprises some 72 of these prints with a financial value of well over \$800.00 in catalogue prices. These prints which have been catalogued and placed in folders for preservation, already have been on exhibition in the Lecture Hall where their beauty of subject and color has been much admired.

The late Mr. Harris M. Dolbeare and Mr. Gardner E. Campbell have continued the generous gift of space in the Daily Item. Mrs. Junius Beebe again furnished the Christmas decorations which add so much to the cheer of the holiday season. Other friends have remembered the library with gifts of books, magazines and flowers.

During the year the Library has lost two members of the staff. In February Miss Dorothy Peterson resigned to accept a position in New York at a considerable increase in salary. Later in the year Miss Louise E. Sheldon resigned to take charge of the Charles H. Howe Memorial Library at the Wakefield High School. Miss Sheldon had been a member of the staff since 1925 and understands thoroughly the various branches of library service.

In the reorganization which followed these resignations, Miss Dorothy Rogers, a recent Simmons graduate, was appointed cataloguer and Miss Elizabeth Black, a part-time assistant who is taking work at Simmons, was made a full time assistant. Perhaps it will not come amiss to say at this time that it is increasingly difficult to find experienced library assistants so necessary for efficient and economical service, at the prices Wakefield pays.

Last year it was thought that redecorating the Reference Room and some repairs on the upholstery were almost imperative, but this work has been delayed as it was found necessary to do some outside repair work. At all times a careful watch is kept that the cost of repairs may be kept at a minimum.

This year the circulation has been 223,792 or thirteen and one-half books per capita. There are at present 7,432 registered borrowers, thus an average of 30 books were issued to each card holder. An analysis of the book circulation shows an increase of over 3,600 books of a serious nature, especially in the fields of philosophy, sociology, science, useful

and fine arts, travel and biography. In addition, there was a large number of musical scores borrowed from the new Wakefield Choral Society collection; from the picture collection a total of 6,236 loans were made during the year.

Report of Park and Cemetery Commissioners

To the Citizens of Wakefield:

The Park and Cemetery Commissioners hereby submit their annual report for the year ending December 31, 1937.

The Park and Common were kept in first class condition by the Superintendent, Arthur G. Abbott, and at this time the Commissioners wish to commend him for his splendid efforts.

We have fourteen (14) triangular plots under our care in different parts of the town as follows: Common and Church Streets, Eaton and Crescent Streets, Lafayette and Church Streets, North Avenue and Church Street, Prospect and Cedar Streets, Prospect and Elm Streets, Prospect Street and Shumway Circle, Prospect and Hopkins Streets, Vernon and Salem Streets, Main Street opposite High School, Farm and Nahant Streets, Main Street opposite Junction Depot, and Oak and Green Streets. In addition to these triangular plots we have five (5) playgrounds under our care. We recommend an extra man in order that these shall be maintained in a creditable manner.

The bath house was under the care of Mr. David Ingerton, instructor, and a corps of men who had a very successful season, and the commissioners received no reports of misconduct, although thousands of children took advantage of the bath house. The Commissioners hope that in the near future a WPA project will be started for a new bath house to take the place of the one we now have. The present building has outgrown its usefulness and is badly in need of repair. Mr. Ingerton's report is submitted under another heading.

The Old Cemetery has been taken care of, grass cut and the grounds cleaned up twice a year. We also recommend a WPA project to put this cemetery in better condition.

The receipts for Forest Glade Cemetery for 1937 were \$4,185.00, including perpetual care receipts. We expect to have the receiving tomb and office started this year as WPA funds have been set aside for this work. A new WPA general development project is in the offing, which will improve the cemetery even more than it has been. The Commissioners are indebted to several citizens who donated fine evergreen trees. We are especially grateful to Mr. and Mrs. J. Lowe McMahon of Prospect Street for the seven beautiful Norway spruce trees they donated.

On Memorial Sunday, May 30, 1937, a beautiful shrine was dedicated in the Catholic section of Forest Glade Cemetery. This shrine was donated to the town by one of our most respected citizens, who does not wish his identity disclosed. The shrine, valued at about \$500.00, exclusive of the

rockery, evergreens and setting, is made of Alpine maple and was imported from Switzerland.

We have one full-time man at the cemetery, Mr. Frank LeGro, and one part-time man, Mr. Charles Lynch.

We wish, at this time, to thank publicly, Mr. John Landry, Superintendent of the Moth Department, and Mr. Harry Denning, Superintendent of the Highway Department, and also the Board of Public Welfare, for the valuable assistance given our Board throughout the entire year

Respectfully submitted,

JOHN T. STRINGER, Chairman
GEORGE W. ABBOTT, Secretary
JOHN W. MacGILLVRAY

Report of Bath House Supervisor

Wakefield Park Board,

Wakefield, Massachusetts.

Gentlemen:—

The bath house opened June 28 and closed September 4, a period of 69 days, during which time protection was given the bathers from 9.00 A. M. to 8.00 P. M., on week days, and from 2.00 P. M. to 6.00 P. M. on Sundays. During a hot spell the bath house was kept open longer for the safety of night bathers.

Total number in attendance	67,504
Average daily	1,094
Maximum weekly	14,600
Number of minor injuries	152
Number of serious injuries, requiring medical attention	2
(also 1 epileptic fit)	
Number of persons beyond their depth needing help	78
Help rendered to overturned boats	12
Number of suspensions	2

The continuation of the "Learn to Swim" campaign inaugurated in 1936 resulted in 274 persons learning to swim or improving their ability to take care of themselves in the water. This figure does not include the special class to Boy Scouts, 15 of whom passed their merit badge tests.

During the season, six children were picked up along the shores of the lake and restored to their parents; also five boys were rescued from unsafe rafts or boats, which were then destroyed. Parents should guard against things of this kind, as all of the craft were made at home and carted to the lake.

I wish to thank all of the town departments for their generous help, the Park Board for their co-operation, and especially the Police Department for their prompt and efficient handling of petty thefts.

DAVID F. INGERTON,

Supervisor.

Report of the Municipal Light Board

To the Citizens of the Town of Wakefield:

We submit for your consideration, the forty-fourth annual report of the Municipal Light Board, covering the year ending December 31, 1937.

The operations of the Department resulted in a net profit, after deducting debt retirement, of \$28,896.93 as compared to a profit of \$27,697.57 in 1936.

The balance of our Operating Fund is \$26,356.38 as compared to \$34,486.84 in 1936; the decrease being due to a falling off in collections during the last few months of the year and to increased cost of materials, etc.

The amount of bonds outstanding has been reduced to \$59,000.00. The other liabilities of the Department are accrued interest and insurance amounting to \$2,516.83. Consumers' Deposits liability is offset by the same amount of cash in the banks.

The Department turned back to the Town \$27,697.57 at the annual Town Meeting in March, 1937, which makes a total of \$108,949.45 during the past five years.

We are asking for an appropriation of \$20,000.00 for street lighting for 1938, in order to comply with the state regulations, which require us to charge electricity delivered for this purpose at our average cost per kilowatt hour.

The report of the manager, showing the financial condition of the plant as of December 31, 1937, and its operations for the year, is included in this report.

The books of the Department are being audited by Thomas B. Donnelly, C. P. A., Boston.

Respectfully submitted,

MARCUS BEEBE, 2nd, Chairman

A. FRANCIS HARRINGTON, Secretary

CURTIS L. SOPHER, M. D.

Board of Commissioners

Municipal Light Department

January 2, 1938.

January 1, 1938.

To the Board of Light Commissioners,
Town of Wakefield, Massachusetts.

Gentlemen:

I report herewith on the affairs of this Department for the year ending December 31, 1937. The Balance Sheet shows the total assets to be \$904,639.37.

The sales of gas amounted to \$102,622.47, the operating expense \$90,-531.65, and a profit of \$11,146.27.

The sales of electricity amounted to \$213,055.85, the operating expense \$182,882.06, and a profit of \$27,750.66.

PROPERTY AND EQUIPMENT

Plant investments and general equipment have been increased \$12,786.46 net, including the completion of underground distribution for residence service in Chestnut Street between Main Street and North Avenue; in North Avenue, between Chestnut Street and Yale Avenue; and in Yale Avenue and Avon Street. Thirty-six street lights were added to the ornamental street lighting of the town, on Chestnut Street, Avon Street, Yale Avenue and North Avenue.

The entrance of a new company at the Heywood-Bros. Wakefield location, had an extension of 3-phase and single-phase services. The pumping station of the Sewer Department at a point opposite Central Street on Main Street, has been furnished with single-phase, three-wire, underground service.

The yearly inspection and replacement of defective poles has been completed. There has not been any large extension of aerial lines; some new houses have been given underground service. Pole line extensions have been made at the Flint Field development.

A large amount of change in layout and switchboard has been in progress during the year, at the substation, and is to be continued during the coming year. The regulators on commercial lines have been placed outside the north wall of the substation and all made weatherproof at small cost comparatively.

During the year the Gas Department put in 42 new services and replaced 33 old ones. On Albion Street the main was stripped and examined for leaks and new services were put in as required. In Central Street 910 ft. of 3" pipe was laid, replacing 400 ft. of 1½" pipe and connecting Main Street to Pleasant Street. On Hopkins Street the main was extended by 418 ft. of 4" pipe and on Mountain Avenue by 150 ft. of 4" pipe. On Bartley Street 250 ft. of 2" pipe was replaced by the same amount of 4". On Crescent Street 81 ft. of 3" pipe was laid across the new intersection. On Gladstone Street the main was extended by 440 ft. with 4" pipe connecting Myrtle Avenue and Crystal Street.

In the Heywood-Wakefield yard 350 ft. of 3" pipe was laid to serve Building No. 1A. In the new development in Howard Street 400 ft. of 3" pipe was laid and on Flint Street 320 ft. of 3" and on the lower end of Main Street 250 ft. of 3" pipe. On Clifton Avenue and Lotus Avenue at the Stoneham line, 605 ft. of 2" pipe was laid. On Cutter Avenue, the new development off North Avenue, 240 ft. of 3" pipe was put in and on Kingmont Street, 245 ft. of 3" pipe was put in, replacing 150 ft. of 1" pipe. On Stedman Street 740 ft. of 1" pipe was replaced with 3". On Vernon Street, where a new street was put in, 605 ft. of 3" and 475 ft. of 4" pipe

was laid and also 14 services put into the lot lines. Off Salem Street, 400 ft. of 2" pipe was laid to serve a new development there.

The department also laid 450 ft. of steel pipe to be used as a duct under the sidewalk at the Central Fire Station.

New steam and water lines were installed at the plant from the garage to the main building. Five new desks and two new tables were made at the plant for the main office. A new cement floor was put in the shed in the rear of the gas holder which is used for the storage of cable and street light pedestals. The brick wall on the outside of the boiler room was repaired and a new wall built in the meter room.

At the North Avenue works, the machine shop and wood shop have been busy in the manufacture, repair and replacement of equipment for this department and for other departments of the town. This is notable in the fitting of the main office of the department, now located at 7 Albion Street, where desks and tables were needed when this new location was taken over in November.

This department has been located in the Savings Bank Building for the past ten years and found an opportunity to change for larger and more convenient quarters, to the present Albion Street location, previously occupied by the Post Office Department.

Financial Statement follows:

I again express my gratitude and appreciation for the support and co-operation of the Commission, the employees and our customers in the past year. With the continuation of these relations, we can anticipate continued successful results.

Respectfully submitted,

SAMUEL H. BROOKS, Manager
Municipal Light Department

Fire Alarm, Police Signal and Traffic Lights

The battery room of the fire alarm system has been entirely re-organized. Old wood frames replaced by channel iron supported on pipe posts, wire lines re-arranged, floor concreted, acid-proof plumbing, and new lighting and heating arranged. Some boxes have been changed by the installation of one new box at No. 12. The mutual-aid system existing between Reading and Melrose has been extended to include Stoneham.

This Department has operated well during the past year. Some pieces of fire alarm sending equipment have been acquired through the Gamewell Company and installed at the Central Station, relieving the old repeater box to be placed at the Greenwood Station.

The Police Signal System and Traffic Lights, which are in the custody of the Light Department, have been working satisfactorily and have not required any major attention. The installation of a radio in the cruising car has added very much to the efficiency of the signal system.

Respectfully submitted,

SAMUEL H. BROOKS, Superintendent.

28th Annual Report of the Wakefield Water and Sewerage Board

In our report of one year ago, we urged construction of a modern, fire-proof pumping station, to house the equipment necessary to operate the driven wells located off Nahant Street.

Since then, a WPA project was authorized to construct such a station, plans for it being properly drawn and approved.

During the summer and fall of last year, the building was erected and as this report is submitted, the pumping equipment and appliances are located therein, after removal from the former worn-out wooden shed used as a pumping station for several years, so that today, the town possesses an adequate fire-proof building of brick, steel, and cement construction nearly ready for practical use. As will be noted in the report of the Superintendent, the station pumped and delivered, direct to the water mains, a total of over 60,000,000 gallons of pure water during the period of nine months, from December 1, 1936, to September 1, 1937, thus demonstrating to our people the value of this sub-supply of water in time of need. As the town's population increases, it is clearly evident that greater consumption of water must follow and this Board will, in due time, recommend that provision be made to increase the number of driven wells at the auxiliary station. Once more we congratulate our people in possessing this invaluable supply of high-grade water.

During the year 1937, material gains were made in sewerage construction, as authorized by votes passed in Town Meeting. These additions to our sewerage area have been completed and are in operation after successful application of modern methods in two notable instances. These are, first, the building and equipment of an ejector station on Main Street, Lakeside, automatically lifting the sewer flow from low level to higher level for delivery to gravity flow on Main Street, at intersection of Aborn Avenue. The operation of this ejector station is well worth the study of all. The second instance is in connection with method used to cross the Boston & Maine roadbed from west side to east side in Greenwood. A three-foot diameter steel casing was driven through this mainline roadbed by men working within the casing and from the far end digging their way along, the casing being advanced by power of jacks.

Regular movement of trains was not hindered at any time and the job was completed in less than two days.

To safeguard the water supply in Crystal Lake, this Board is firmly of the opinion that further sewer construction in Greenwood should be accomplished during the coming spring and summer to the end that the entire area of Greenwood Plains be piped for sewerage. Portions of the

Plains area are already sewered, but the remainder should be provided for, to remove all danger of pollution to Crystal Lake waters.

Articles will appear in the Town Warrant for the annual March meeting and this department seconds the initiative of our Board of Health.

The Department Superintendent has submitted a clear and informative report in detail, covering our operation for the past year and to all our people, we recommend its study.

This report cannot be concluded until we gratefully acknowledge the gift to the town of a strip of land, triangular in shape and situated on the east side of Crystal Lake, adjacent to the Boston & Maine Railroad. Needless to say, the possession of this tract of land by the town insures further protection of the water-shed and again displays the generous spirit of our highly esteemed fellow citizen, Mr. John J. Round.

We do also extend our best wishes to four of the Department's veterans who, having reached the limitations of age and years of efficient service, are now retired on pension. They served the town long and well, and are now free to choose their own channels of life and duty. These veterans are:

Patrick Sexton — Arthur Gibbons — Patrick Curran — J. J. McFadden

SUPERINTENDENT'S REPORT

To the Water and Sewerage Board:

I respectfully submit the following report for the year ending December 31, 1937:

WATER CONSTRUCTION

Mountain Avenue, from dead end westerly to new dead end Stoneham line, 125 feet of 2" wrought iron pipe.

*Outlook Road, from dead end westerly to Strathmore Road, 342 feet of 6" cast iron pipe.

*Strathmore Road, from dead end northerly to Outlook Road, 220 feet of 6" cast iron pipe.

Pine Ridge Road, from dead end easterly to Morgan Avenue, 44 feet of 6" cast iron pipe.

Morgan Avenue, from Overlook Road northerly to Pine Ridge Road, 262 feet of 6" cast iron pipe.

Overlook Road, from Nowell Road easterly to Morgan Avenue, 130 feet of 6" cast iron pipe.

In taking of Heywood-Wakefield Company yard, from Water Street northerly to dead end, 275 feet of 6" cast iron pipe.

Howard Street, from dead end southerly to Flint Street, 243 feet of 6" cast iron pipe.

Flint Street, from Main Street easterly to Howard Street, 250 feet of 6" cast iron pipe.

Cutter Street, from North Avenue westerly to dead end, 254 feet of 2" wrought iron pipe.

Main Street, from Humphrey Street southerly to dead end, 218 feet of 8" cast iron pipe.

Pine Street, from dead end opposite No. 39 northerly to Warren Avenue, 188 feet of 6" cast iron pipe.

Warren Avenue, from Madison Avenue westerly to Greenwood Avenue, 244 feet of 8" cast iron pipe.

* WPA projects

WATER RECONSTRUCTION

Overlook Road, from Nowell Road westerly to opposite No. 9, 213 feet of 6" cast iron pipe.

Salem Street, from 24 feet west of Montrose Avenue westerly, 192 feet of 12" cast iron pipe.

Green Street, Stoneham, near standpipe, from 12" tee on standpipe branch easterly, 54 feet of 12" cast iron pipe.

Warren Avenue, from Pine Street westerly to Madison Avenue, 186 feet of 8" cast iron pipe.

NEW HYDRANT

Strathmore Road, corner of Outlook Road, 5" Corey hydrant.

HYDRANTS BROKEN BY AUTOMOBILES

Pleasant Street, corner Eaton Street.

Columbia Road, corner Bancroft Avenue.

Nahant Street, opposite house of Bazley.

Main Street at entrance to Beebe Estate.

Meriam Street opposite No. 33.

RELOCATED HYDRANTS

Hydrant No. 160 on Overlook Road, above Ashland Street, moved 19 feet westerly, increased from 4" to 5" Corey.

Hydrant No. 292 on Main Street opposite Humphrey Street, to 81 feet north of northerly side of Flint Street.

SERVICES

New services laid this year	37
Services relaid during the year	41
Number of feet of pipe laid on public land	768' - 6"
Number of feet of pipe laid on private land	1712'
Number of feet of pipe relaid on public land	1417' - 8"
Number of feet of pipe relaid on private land	1492' - 7"
Services relaid from main to street line on account of street construction	27

Average daily per capita of estimated population, 1937			42.3 Gallons

PERMANENT IMPROVEMENTS

The shop at the pumping station has been moved to larger quarters in the unused section of the coal shed. The new quarters are much more convenient and all the equipment is located on one floor, where, in the past, it was in different locations, which was very inconvenient.

During the year, a concrete and brick pumping station was erected at the driven wells on Sexton avenue, off Nahant street, through a WPA project. At the time of writing this report, the large portion of the equipment which was used in the temporary wooden building close by, has been installed permanently in the new building.

A new Dodge car with pick-up body attached, has been purchased during the year to replace a 1927 Ford.

A new rubber-oid roof has been installed on the south slope of the coal shed.

Due to the change in grades and relocation of street lines, it was necessary to relocate and lower the inlet pipe to the Stoneham Standpipe, located on Green street in that town. It was also necessary to lower and relocate the main pipe on Green street, Stoneham, for some distance. The above mentioned pipe also serves as our mutual connection with Stoneham and the Metropolitan Water Supply.

WATER SUPPLY

Crystal Lake, Wakefield's water supply, is, at the present time, 2.5" below high water mark. The water is quite turbid, due to excess rainfall and a very rapid runoff. From December 10, 1936 to August 27, 1937, water was pumped continually, day and night, from the driven wells supply on Sexton avenue, off Nahant street. It has, at all times, met with the complete approval of the State Department of Public Health.

FILTRATION PLANT

The filtration plant has, as usual, produced water of excellent quality during the year. During the coming year, it will be necessary to replace the sand, which has been removed in the process of cleaning for the last few years.

WATER MAINS LAID IN FOLLOWING STREETS UNDER WPA PROJECTS

Outlook Road
Strathmore Road

RECOMMENDATIONS FOR THE COMING YEAR

No. 1 Standpipe, located at Green street, Stoneham, must be painted inside and outside. Also, the foundation walls need to be repointed and a cement weather cap placed on top of same.

No. 2 Standpipe should be painted inside.

Both intake cages at Crystal Lake must be replaced this year.

LOW LEVEL SEWER SYSTEM

The low level sewer system and pumping station has, as in the past, functioned properly. It has been necessary, during the year, to replace both pump heads, due to their being worn through, thus causing leakage.

SEWER CONSTRUCTION

At a town meeting held June 16, 1937, the town voted to construct sewers in the following streets:

Cordis Street
Main Street
Central Street

Also, they voted to construct a sewer ejector station on land owned by the town between Main street and Lake Quannapowitt, opposite Central street. This work has all been completed and the equipment has been installed in the ejector station. The system is now in operation and is functioning satisfactorily. The sewerage is discharged from the ejector station into the gravity sewer on Main street at the intersection at Aborn avenue.

The department would be very glad to show this ejector station to any citizen who is interested in seeing it, as it is somewhat of a novel installation in this vicinity.

At the same town meeting, the town voted to construct sewers in Crystal Street, Greenwood Street, Myrtle Avenue, across private land and also under the Boston & Maine Railroad track, to discharge the sewerage into the trunk sewer and a manhole left there for that purpose when the trunk sewer was originally built. This work has also been completed and is in operation.

Sewers have been constructed in the following streets on the vote of the town:

Western avenue—300 feet, westerly from Elm street.

Charles street—From Main street to Birch Hill avenue.

Birch Hill avenue—From Nahant street, 250 feet southerly.

This work has been all completed and is in working order.

SEWER MAINTENANCE

The entire system including the low level system has been inspected twice during the year and thoroughly brushed and cleaned. The department is experiencing considerable difficulty, due to elm and poplar roots finding their way through the joints into the main sewer lines. These roots grow very rapidly after entering the sewer and cause frequent stoppages. When these stoppages occur, they must be relieved regardless of the hour of the day or night.

Manhole covers and frames have been raised, lowered, or replaced as necessary, to conform with new street grades. Also, new covers and frames have been installed where old ones have been found to be faulty or broken.

SEWER CONNECTIONS

Applications for house connections to date	1,882
Number of connections made	1,772
Number of connections made during year	43
Number of connections waiting	0

SUMMARY OF WATER STATISTICS FOR THE YEAR 1937

WAKEFIELD WATER WORKS

Middlesex County

TOWN OF WAKEFIELD, MASSACHUSETTS

Population 16,494	Area of town 4,568 acres
Date of Construction—1883—by Wakefield Water Company.	
Source of supply:	
Crystal Lake.	
Driven wells.	

Mode of supply: Pumping through distribution system to standpipes.

Standpipe capacities:

No. 1—Located on Green street, Stoneham—565,485 gallons.

No. 2—Located on Sidney street, Wakefield—651,817 gallons.

Type of Purification:

Slow sand filters.

Chlorination.

Population:

regularly supplied within town	16,374
--------------------------------	--------

regularly supplied outside town	70
---------------------------------	----

Total population supplied	16,444
---------------------------	--------

Consumption:

Measured by Venturi Meter	262,542,775 gallons
---------------------------	---------------------

Builder of Pumping Machinery:

High Lift Pump.

A. Knowles Steam Pump Company—one 10"x19"x11"x27" duplex compound condensing steam pump. Capacity 1.8 million gallons per twenty-four hours.

HIGH LIFT PUMP No. 1

B. Goulds' Pumps, Incorporated—one single stage centrifugal pump, direct connected to 150 horse power, 550 volt, three phase slip ring motor, capacity 2.5 million gallons for twenty-four hours.

HIGH LIFT PUMP No. 2

C. Goulds' Pumps, Incorporated—one single stage centrifugal pump, direct connected to 150 horse power, 550 volt, three phase slip ring motor, capacity 2.5 million gallons for twenty-four hours.

LOW LIFT PUMP No. 1

D. Gould's Pumps, Incorporated—one single stage centrifugal pump direct connected to 15 horse power, 550 volts, three phase slip ring motor, capacity 2.5 million gallons for twenty-four hours.

LOW LIFT PUMP No. 2

E. Goulds' Pumps, Incorporated—one single stage centrifugal pump direct connected to 15 horse power, 550 volts, three phase slip ring motor, capacity 2.5 million gallons for twenty-four hours.

Total station capacity—6.8 million gallons per day.

Purification statistics:

Installed: 1927.

Type of treatment:

Aeration.

Slow sand filters.

Capacity of filters: 2.5 million gallons per twenty-four hours.

Kind of chemical applied: Liquid chlorine applied to filtered water.

Distribution System:

Range in pressure in center of town, 80-90 pounds.

Kind of pipe:

Cast iron.

Wrought iron.

Cement-sheet iron.

Sizes: 2 inch to 20 inch.

Extended during the year—3,640 feet.

Total feet now in use—54.80 miles.

Number of hydrants added—1.

Number of hydrants in use—354.

Number of stop gates in use—689.

Range of pressure on mains—26 pounds to 115 pounds.

Total number of service taps—3,922.

Number of service taps now in use—3,722.

Percent of active services metered 99.4%.

In conclusion, I wish to extend my sincere thanks to each and every member of the Department for co-operation in all emergencies during the year.

I also extend my thanks to the heads and members of the various town departments for their support and co-operation during the year.

Respectfully submitted,

MORRISON MERRILL,
Superintendent.

Report of Town Treasurer

To the Citizens of Wakefield:

I herewith present my report for the fiscal year ending December 31, 1937:

TRUST FUNDS

The Trust Funds and available income balances now in my hands are as follows:

	Principal of Fund	Income Available
Cornelius Sweetser Lecture Fund	\$ 10,000.00

TAX LIEN FORECLOSURES

During the year 1937 the town presented eight tax lien petitions to the Land Court for foreclosure. One has been redeemed, the town receiving in taxes and interest \$1,187.74. On one arrangements have been made to redeem. Under four tax titles the town acquired title to three lots of vacant land and one lot with a building on it. One of the vacant lots the town has sold for \$275.00. Two cases are still pending in the Land Court.

FINAL STATEMENT

During the year 1938, the following time loans will fall due and are to be included in the tax levy of 1938.

High School	\$ 22,500.00
Montrose School	14,000.00
Woodville School	2,500.00
Greenwood School	9,500.00
Franklin School	8,000.00
Metropolitan Sewer	10,000.00
Extension of Sewer	19,500.00
Street	2,000.00
	<hr/>
	\$ 88,000.00
Water Loans (included in Water Department appropriation)	20,000.00
Light Plant (paid from receipts of plant)	10,000.00
	<hr/>
	\$118,000.00

There also will be required the following amounts to meet the interest payments:

High School	\$ 4,125.00
Montrose School	1,135.00
Woodville School	168.75
Franklin School	640.00
Greenwood School	2,220.63
Metropolitan Sewer	1,050.00
Extension of Sewer	4,136.88
Street	332.50
Temporary Loans (estimated)	3,191.24
	<hr/>
	\$ 17,000.00
Water Loans (included in Water Department appropriation)	4,263.75

REPORT OF TOWN TREASURER

195

Light Plant (paid from receipts of plant)

2,330.63

\$ 23,594.38

The borrowing capacity of the town, on temporary notes in anticipation of 1937 revenue, was \$805,093.64, as determined by the State Director of Accounts. Of this amount the town borrowed the sum of \$450,000.00 and of this latter amount \$150,000.00 has been paid, leaving \$300,000.00 to be paid in 1938.

Respectfully submitted,

ARTHUR H. BOARDMAN,
Treasurer.
